**President Has "Excellent" Night Out Of Oxygen Tent; Ike's Assistant In Denver**

DENVER (AP) — The direction of government shifted back to Denver today as President Eisenhower continued to improve from his heart attack and his chief deputy flew here from Washington.

One of his principal physicians added to the growing evidence Eisenhower will retire at the end of his present term by saying if he were the President he "wouldn't want to run again."

Dr. Paul Dudley White, asked whether it would be possible for the President to run again, told a television audience:

"Many things are possible that may not be advisable. It is up to him to make the decision. He may or may not have complete recovery. If I were in his shoes I would not want to run again, having seen the strain."

"Excellent" Night

In its 7 a.m. Denver time medical bulletin, Eisenhower's doctors at Fitzsimons Army Hospital here reported he enjoyed an "excellent" night—their first use of that word since his heart attack last Saturday. Previously they have termed his nights "comfortable" or "very comfortable."

For the first time also, the medical men said the President spent the night outside an oxygen tent, sleeping "almost continuously from 9 p.m. to 6:30 a.m." Hereafter he has been spending most of the day outside the oxygen tent but returning to it for assurance of nightly rest.

"His progress continues to be satisfactory without complication," the medical bulletin added.

The Boston heart specialist, who attended Eisenhower here and now receives twice-daily telephone reports in Boston on his condition, was interviewed on the NBC show "Today."

**Encouraging Signs**

The decision of Sherman Adams, the assistant to the President, to join the Denver White House party, spelled the virtual end of any possible plans to delegate any of Eisenhower's authority during his illness.

Adams is due here tonight from a Cabinet meeting in Washington over which Vice President Nixon is presiding.

Dr. White said it remains to be seen how active the President can be in the future. He said signs from the bedside are "very encouraging" and that the President's morale is good.

**Republican Women Will Meet Monday**

Candidates will be introduced and reports presented Monday evening at 8 o'clock at a meeting of the Adams County Council of Republican Women at the court house.

During the business session reports will be presented on the Political Activities Conference of the South Central Region of the Pennsylvania Council of Republican Women held in McConnellsburg September 14 and on the meeting of the Nineteenth Congressional District Planning Committee held at Allenberry September 17. Committee appointments are also to be announced.

The Republican candidates for county offices will be introduced, after which a social hour, with refreshments, will be conducted. Officers of the council have invited all Republican women to attend.

**ST. JAMES TO HAVE 4 SERVICES OF COMMUNION**

Holy Communion will be celebrated at St. James Lutheran Church at four services this weekend.

The first Communion service will be held this evening at 7:30 o'clock. On Sunday there will be three Communion services, the first at 8 a.m., the second at 10:30 o'clock and the third in the afternoon at 4 o'clock. Rev. Ralph R. Gresh will be the celebrant assisted in the distribution of the elements by the Rev. John W. Fry.

Music for the services has been prepared by the Junior Choir, the Junior High School Choir, the Senior High School Choir, and the Senior Choir under the direction of Prof. Richard B. Shade.

**Choir Sings Tonight**

At the Communion service this evening the Junior Choir will sing "Sanctus" by Franz Schubert. On Sunday morning at 8 o'clock the Junior High School Choir will sing "In Pastures Green" by Allene K. Bisby; at 10:30 o'clock the Senior High School Choir will sing "O Lamb of God, I Come" by Florence Blair; in the afternoon at 4 o'clock the Senior Choir will sing "Turn Ye Even to Me" by P. Flaxington Harker with solo by Arlene Shealer.

A service of baptism will be held Sunday afternoon at 3 o'clock.

**BEGIN WORK ON \$28,195 ANNEX TO BIGLER SCHOOL**

Work on a \$28,195 addition to the present agriculture room at Bigler High School began Thursday, when excavation was started for footings for the 36 by 42-foot brick structure.

**BREAK GROUND FOR ANNEX TO HOSPITAL OCT. 10**

Ground will be broken about October 10 for the first of the two new wings "so urgently needed" at the Warner Hospital, it was announced at the hospital directors meeting Thursday night.

The directors were informed that O. H. Hostetter Bunder, Inc., of Hanover, will soon move equipment to the site and that while steel is hard to get at the present time, it is anticipated that delivery will be made in December and that the footings and foundations will be completed upon its arrival.

Appropriate ceremonies are being planned in connection with the groundbreaking and will be announced later. The contractor gave assurance that work will be expedited so as to have the building completed by next June 1.

The new wing will have eight rooms with bath designed to accommodate 32 patients now occupying the two 16-bed wards in the hospital. Part of the vacated area in the original building will be redesigned and remodeled to give more room to the overcrowded x-ray and dispensary departments.

The new wing will cost an estimated \$210,000 to build and equip and as soon as possible after its completion and when the money is at hand the second wing will be constructed in order to provide the additional patient facilities needed at the hospital.

It is now frequently necessary to defer admittance of patients due to the lack of room. While it was believed that the second wing could be deferred for three years, crowded conditions are so frequent that second wing will have to be constructed as soon as it can be financed.

**COUNCIL TO MEET**

A regular meeting of Borough Council will be held Monday evening at 8 o'clock in the Council Chamber at the engine house.

**TO ADDRESS SOCIETY**

Attorney Homer N. Young will be the speaker Tuesday evening at the meeting of the Adams County Historical Society in the court house at 7:30 o'clock. He will have as his subject: "The Story of Lincoln's Guard at the White House."

**Many Workers Start Annual "Door-to-Door" Canvass For Funds To Finance 6 Groups**

Canvassers who will ring every doorbell in Gettysburg during the next few days, starting tonight, in an attempt to raise \$19,700 for the Community Chest were given final instructions and materials at the annual "kick off" dinner Thursday evening at the YWCA.

The dinner, served by the Annie Danner club, is sponsored by several service clubs of Gettysburg and is not paid for by Community Chest funds.

John C. Stahl, chest vice president and chairman of the fund drive, told the solicitors, "We feel that the people of Gettysburg know the value of Community Chest and are willing to contribute to it. The question is whether they will get the opportunity, and that is up to each individual canvasser. If he sees every one on his list, the great majority will contribute. If he fails to see them, then one cannot expect contributions from them."

**Urge Daily Reports**

John Welschone, Chest secretary, will be at the Chamber of Commerce office on the second floor of the Plaza building each evening to receive reports from the solicitors. Stahl said. Carl A. Baum, of the advertising committee, urged the canvassers to make daily reports so that the progress of the drive may be recorded on four "thermometers" already placed in Lincoln Square.

Baum also reported that this year for the first time a mail campaign has been instituted to seek donations from the residents of the rural routes outside Gettysburg. Previously an attempt was made to conduct a door-to-door campaign in the area immediately outside the borough but "such a campaign did not succeed."

Indignities were averred in a divorce suit filed Thursday in the court house at Carlisle by Arthur Howe, Gardners R. 2, against Jennie M. Howe, York. They were married Sept. 7, 1946, in Westminter.

Desertion was charged in a libel filed by Flora F. Lawrence, Gardners R. 2, against James O. Lawrence, Camp Hill. They were married in Floyd, Va., June 10, 1948.

**Floods Follow In Wake Of Hurricane Janet Which Took At Least 400 Lives In South**

MEXICO CITY (AP)—Disastrous new floods roared down on Mexico's Gulf Coast today in the wake of Hurricane Janet as the killer storm beat itself out against the Sierra Madre Mountains.

The worst of three hurricanes that smashed into East Mexico this month, Janet already had killed at least 200 Mexicans plus 200 other persons on Caribbean islands.

In the storm's wake, torrential rains swelled rivers already flooding from the northern Tamaulipas state to Veracruz. The toll of dead and displaced was expected to rise hourly.

The three big trans-Caribbean hurricanes — Gladys, Hilda and Janet — already have caused an estimated 600 deaths in Mexico. Property damage is reckoned at some 200 million dollars, almost half the national government's 1955 budget.

**Port Is Flooded**

Janet's course was obscured during the storm's late hours by the havoc its 120-mile-an-hour winds wreaked on communications. Nautica, a port of 1,500 persons about 75 miles north of Veracruz, was the only populated place in the path. It had just reported a growing gale and high water when connections were abruptly cut.

Veracruz, important port of 120,000, had braced itself for the full force of the hurricane. Janet capriciously sidestepped the city, but accompanying rains and excessively high tides inundated the port, only four feet above sea level. Main streets were under several feet of water.

Tampico, already under water from the two previous hurricanes and the flooding Panuco River, reported a new rise in waters. Exhausted from their three-week battle against winds, floods and disease, thousands abandoned the city in a mass exodus.

**Food, Medicine Low**

Tampico's food supply was dropping daily, medical supplies were low, and both typhoid and dysentery had broken out. More than 36,000 refugees from among the city's normal population of 110,000 were still being cared for in concentration centers.

It was believed most of the country's estimated total of 200 deaths from Janet occurred on the Yucatan Peninsula. The towns of Chetumal, Xcalak and Bacalar were virtually wiped off the map when 125-mile winds leveled their wooden buildings.

Reports from Yucatan said 125 bodies were buried in a common grave at Chetumal yesterday and that more were being found in the debris. Filers estimated the total dead at Chetumal alone at 170.

**TWO VET POSTS ARE RAIDED BY AGENTS, POLICE**

Gambling devices, not in service, were found at both the American Legion, Baltimore St., and at the VFW, E. Middle St., following raids Thursday afternoon, state police reported today.

The officers were called in by Pennsylvania Liquor Control agents and, following the raids, confiscated two slot machines, a number of trade boards and similar equipment.

Police said no charges have been filed, pending further investigation. It was expected, however, that some charges will have been placed by this evening.

**Must Call Police**

State police were called in by the liquor control agents after the agents had "uncovered some evidence" of gambling devices on the premises during one of the periodic examinations made by the agents on all licensee establishments.

Under state law, it was explained, the agent's duty, if he finds evidence of gambling while at a establishment, requires that he call in state police immediately to make a thorough search of the premises.

Police said they found a quantity of trade boards at the VFW home, and a number of trade boards, some of display and some stored, at the Legion. They said that during their further investigation of the Legion home they found two slot machines that "obviously had been stored for some time. They were dusty and apparently have not been used for a long time."

**DECLARES LOVE, COURAGE KEEP HOME GROWING**

"Are we going too fast a pace today to have enough time to be considerate of one another? Is there enough time in our lives for solitude and contemplation?" queried Mrs. H. Edgar Riegle, guest speaker at the opening meeting of the PTA Thursday night at the Keefeauver Elementary School. Mrs. Riegle indicated that it was necessary today "more than at any other time in our history to keep the love and courage which it takes to start a home growing, especially in the field of spirituality."

"Solitude and serenity are necessary in the home so that every member will be included to show one another courtesy, good will and consideration that is needed to make a home develop and grow."

**More Attention To Children**

Mrs. Riegle stressed the point that children in the home today do not receive the attention they deserve. "Children need to feel wanted. If they are made the center of attraction, they will do a better job always," she said.

Mrs. Riegle added that by "maintaining a fear and love of God in homes and our individual lives it is easy to be alight with life and greet each new day joyfully."

With new PTA President James Feather presiding, the new budget for 1955-1956 was approved and passed by a unanimous vote.

Feather introduced new committee chairmen for the year: Devotions, Charles Smith; membership, Mrs. Stanley Hull; program, Mrs. Arthur Rice, public relations, Mrs. William Darrah; publications, Mrs. Richard Schleicher; publicity, Mrs. Kenneth Hull; social, Mrs. Joseph Baker; ways and means, Mrs. W. E. Jordan; welcoming of newcomers, Hardy Nichols.

**2 October Meetings**

Program committee chairman Mrs. Arthur Rice announced that there will be two meetings in October. (Continued On Page 2)

**CONCERT DRIVE NEARS CLOSE**

Memberships for the Gettysburg Concert Association are continuing to be received at campaign headquarters located in the lobby of the Hotel Gettysburg according to concert workers who predict a "successful 1956 season." The deadline for buying a season ticket is Saturday evening at 5 o'clock. Memberships will not be received after that time.

All persons who have not been called upon are invited to headquarters to join the association. Memberships for adults are \$6 and for students, \$3. Tickets will not be sold for a single concert.

Membership in the Gettysburg Association permits attendance at concerts in nearby communities where seats are available. The board will meet Saturday evening at 9 o'clock in the hotel parlors to select artists for the second and third concerts. The first concert will present the Robert Shaw Chorale December 2.

**Arrest Three Men And Two Juveniles Accused Of Being Involved In Five Burglaries**

Arrest of a 17-year old Hanover R. D. youth early Thursday morning as he sought to escape from police at the Cross Keys Drive-In Theater led today to the arrest of three men and another juvenile in connection with five burglaries in the Hanover R. D. area, East Berlin and Harney, Md.

Police said they believe the men and the juveniles secured approximately \$300 in cash, cigarettes and other articles in the burglaries.

Police identified the men as: Robert Earl Shultz, 22, Allegheny Ave., Hanover; Richard Mummert, 26, Carlisle St., Hanover, and Bernard Feiser, 21, Bruchtown. The two 17-year-old youths are from the Pleasant Hill, Hanover R. D., section. The court is being asked to certify them from juvenile court to oyer and terminer court.

**ARTHUR GORDON IS NAMED HEAD OF COUNTY PSEA**

Arthur M. Gordon, social studies teacher and administrative assistant at Biglerville High School, was elected president of the Adams County branch of the Pennsylvania State Education Association this morning at New Oxford High School.

The session of the PSEA was held in connection with the 99th annual institute of the county's teachers which began this morning and will end following "section meetings" of the teachers this afternoon.

Gordon succeeds Maurice E. Bream, geography and science teacher at Littlestown High School, who presided at this morning's meeting.

Others elected were: Dr. Herbert E. Bryan, New Oxford, was named vice president; Miss Alma M. Miller, Biglerville, secretary; H. Dean Stover, Littlestown, treasurer; Dale H. Roth, York Springs, delegate; Sara M. Miller, Fairfield, alternate delegate, and Richard D. Thomas, Littlestown, and Clyde A. McCauslin, Franklin Township, auditors.

**Pass Ten Resolutions**

Ten resolutions were passed by the teachers following the report of the resolutions committee.

The resolutions expressed the appreciation of the teachers to the New Oxford system for use of the school and to the county superintendent and his staff for the planning of the institute, urged continuation of section meetings at future institutes, and urged cooperation by the teachers "in every way possible with local, state and national authorities to counteract any and all subversive activities."

Other resolutions recommended that "the schools do all within their power to support the state program of civil defense"; requested the county's legislators to support the legislative program of the Pennsylvania state education association and "all constructive school legislation."

They also urged the legislators to "support a broad base tax to help provide financial support for the (Continued On Page 2)

**NCTM WILL HOLD SECOND SESSION HERE ON OCT. 9**

The second assembly meeting of the National Christian Teaching Mission will be held Sunday afternoon, October 9 at 3 o'clock in the Methodist Church, assembly chairman, Rev. Victor K. Meredith Jr., announced today.

Rev. Kermit L. Lawton, Harrisburg, executive secretary of the department of evangelism of the Pennsylvania Council of Churches, will explain the set-up to be followed in the Mission.

Local Protestant ministers, Mission committee members, census-takers, and those involved in the self-study and evaluation of the programs of the individual churches in the community are requested to attend the meeting, said Rev. Mr. Meredith. The meeting is open to the public.

Gettysburg Teaching Mission will be conducted November 3 to November 10, and will include a self-study of the individual churches of Gettysburg, a community-wide religious census, and an evangelism program to bring the unchurched of the community into the churches of their choice.

Each local church will enlist the aid of a guest leader.

BEGIN WORK ON \$28,195 ANNEX TO BIGLER SCHOOL

Work on a \$28,195 addition to the present agriculture room at Biglerville High School began Thursday, when excavation was started for footings for the 38 by 42-foot brick structure.

Contracts for the work were let Wednesday night after bids for the electrical work were opened. The lowest bidder was Miller Brothers, Mt. Wolf, at \$4,375. The only other bidder was Stanley Hull, Gettysburg, who bid \$4,397.

Miller Brothers let was accepted and the contract let. At the same time the contract for general construction, at a bid of \$19,570, was let to C. M. Gross, Dover, and the contract for the plumbing and heating work went to the I. H. Crouse and Sons Co., Littlestown, which had entered a bid of \$4,250.

**Completed January 1**

Work on the addition is to be completed by January 1, according to the contracts. The general construction and plumbing and heating bids were accepted September 14. At that time the electrical bids were rejected because of a technicality, and new bids were asked to be submitted Wednesday evening. However none of the contracts were let until after the new electrical work bids had been received. Then the contracts went to the companies which had submitted the lowest bids.

According to plans for construction of the addition to the agriculture room, the students will be able to continue their classes in the present "ag" room until the addition is almost completed. Then the will be torn out of the present agriculture room and it will be "tied in" with the new addition.

Gambling devices, not in service, were found at both the American Legion, Baltimore St., and at the VFW, E. Middle St., following raids Thursday afternoon, state police reported today.

The officers were called in by Pennsylvania Liquor Control agents and, following the raids, confiscated two slot machines, a number of trade boards and similar equipment.

Police said no charges have been filed, pending further investigation. It was expected, however, that some charges will have been placed by this evening.

**Must Call Police**

State police were called in by the liquor control agents after the agents had "uncovered some evidence" of gambling devices on the premises during one of the periodic examinations made by the agents on all licensee establishments.

Under state law, it was explained, the agent's duty, if he finds evidence of gambling while at a establishment, requires that he call in state police immediately to make a thorough search of the premises.

Police said they found a quantity of trade boards at the VFW home, and a number of trade boards, some of display and some stored, at the Legion. They said that during their further investigation of the Legion home they found two slot machines that "obviously had been stored for some time. They were dusty and apparently have not been used for a long time."

DECLARES LOVE, COURAGE KEEP HOME GROWING

"Are we going too fast a pace today to have enough time to be considerate of one another? Is there enough time in our lives for solitude and contemplation?" queried Mrs. H. Edgar Riegle, guest speaker at the opening meeting of the PTA Thursday night at the Keefeauver Elementary School. Mrs. Riegle indicated that it was necessary today "more than at any other time in our history to keep the love and courage which it takes to start a home growing, especially in the field of spirituality."

"Solitude and serenity are necessary in the home so that every member will be included to show one another courtesy, good will and consideration that is needed to make a home develop and grow."

**More Attention To Children**

Mrs. Riegle stressed the point that children in the home today do not receive the attention they deserve. "Children need to feel wanted. If they are made the center of attraction, they will do a better job always," she said.

Mrs. Riegle added that by "maintaining a fear and love of God in homes and our individual lives it is easy to be alight with life and greet each new day joyfully."

With new PTA President James Feather presiding, the new budget for 1955-1956 was approved and passed by a unanimous vote.

Feather introduced new committee chairmen for the year: Devotions, Charles Smith; membership, Mrs. Stanley Hull; program, Mrs. Arthur Rice, public relations, Mrs. William Darrah; publications, Mrs. Richard Schleiter; publicity, Mrs. Kenneth Hull; social, Mrs. Joseph Baker; ways and means, Mrs. W. E. Jordan; welcoming of newcomers, Hardy Nichols.

**2 October Meetings**

Program committee chairman Mrs. Arthur Rice announced that there will be two meetings in October. (Continued On Page 2)

DIVORCE SUITS FILED

Indignities were averted in a divorce suit filed Thursday in the court house at Carlisle by Arthur Howe, Gardner R. 2, against Jennie M. Howe, York. They were married Sept. 7, 1946, in Westminster.

Desertion was charged in a libel filed by Flora F. Lawrence, Gardner R. 2, against James O. Lawrence, Camp Hill. They were married in Floyd, Va., June 10, 1948.

Arrest Three Men And Two Juveniles Accused Of Being Involved In Five Burglaries

Arrest of a 17-year old Hanover R. D. youth early Thursday morning as he sought to escape from police at the Cross Keys Drive-In Theater led today to the arrest of three men and another juvenile in connection with five burglaries in the Hanover R. D. area, East Berlin and Harney, Md.

Police said they believe the men and the juveniles secured approximately \$300 in cash, cigarettes and other articles in the burglaries.

Police identified the men as: Robert Earl Shultz, 22, Allegheny Ave., Hanover; Richard Mummert, 26, Carlisle St., Hanover, and Bernard Feiser, 21, Brunsdown. The two 17-year-old youths are from the Pleasant Hill, Hanover R. D., section. The court is being asked to certify them from juvenile court to oyer and terminer court.

ARTHUR GORDON IS NAMED HEAD OF COUNTY PSEA

Arthur M. Gordon, social studies teacher and administrative assistant at Biglerville High School, was elected president of the Adams County branch of the Pennsylvania State Education Association this morning at New Oxford High School.

The session of the PSEA was held in connection with the 99th annual institute of the county's teachers which began this morning and will end following "section meetings" of the teachers this afternoon.

Gordon succeeds Maurice E. Bream, geography and science teacher at Littlestown High School, who presided at this morning's meeting.

Others elected were: Dr. Herbert E. Bryan, New Oxford, was named vice president; Miss Alma M. Miller, Biglerville, secretary; H. Dean Stover, Littlestown, treasurer; Dale H. Roth, York Springs, delegate; Sara M. Miller, Fairfield, alternate delegate, and Richard D. Thomas, Littlestown, and Clyde A. McCauslin, Franklin Township, auditors.

**Nabbed In Hanover**

However, from the identification which police secured, Hanover police arrested Shultz in Hanover early Thursday night. After the arrest Shultz was turned over to state police here.

**Involved In Burglary**

Mummert also was involved in the Cross Keys Drive-In burglary, police learned during questioning. He had been inside the building at the lot when the officers gave chase to his two companions. Mummert waited in hiding until the officers were some distance away, then left the building and disappeared into the darkness. Mummert was also "picked up" by Hanover police Thursday night for the local state police. This morning Hanover police nabbed Feiser and the other youth.

Police said that they believed the men secured about \$50 in money and articles when they burglarized Ike's Tap room, about \$100 at the East Berlin VFW in a burglary committed Monday night and about \$50 at the Harney club.

Participation in the Harney burglary came to light when police discovered cigarettes with Pennsylvania tax on them in the car of one of the men.

Police indicated that different "combinations" of the five had participated in the various burglaries. Two had taken part in the Ike's Tap room burglary, four had been in the East Berlin and Harney clubs, three had been at Cross Keys and two at Rohrbaugh's diner. State Police this afternoon were scheduled to make two additional arrests of Hanover-area men in connection with burglaries.

NCTM WILL HOLD SECOND SESSION HERE ON OCT. 9

The second assembly meeting of the National Christian Teaching Mission to be conducted in Gettysburg will be held Sunday afternoon, October 9 at 3 o'clock in the Methodist Church, assembly chairman, Rev. Victor K. Meredith Jr., announced today.

Rev. Kermit L. Lawton, Harrisburg, executive secretary of the department of evangelism of the Pennsylvania Council of Churches, will explain the set-up to be followed in the Mission.

Local Protestant ministers, Mission committee members, census-takers, and those involved in the self-study and evaluation of the programs of the individual churches in the community are requested to attend the meeting, said Rev. Mr. Meredith. The meeting is open to the public.

Gettysburg Teaching Mission will be conducted November 3 to November 10, and will include a self-study of the individual churches of Gettysburg, a community-wide religious census, and an evangelism program to bring the unchurched of the community into the churches of their choice.

Each local church will enlist the aid of a guest leader.

GOOD EVENING

The part most women don't like about parking is the noisy crash.

File Charges Today

Police conferred with the district attorney this morning to determine the number and type of charges that were to be brought against the three men this afternoon before a local justice of the peace.

In the meantime police continued questioning the men that, so far, that has brought admissions, the officers said, of participation in burglaries of the Cross Keys Drive-In, Ike's Tap Room, near Hanover; Clyde Rohrbaugh's diner, near the Bethlehem Quarries, and VFW Posts at East Berlin and Harney.

Police said Shultz escaped the officers as they chased him at the Cross Keys Drive-In at 2:30 o'clock Thursday morning. When two officers, making a routine check, drove into the theater lot they saw two men running from the projection room-lunch room building in the center of the theater lot. They gave chase. One officer caught the 17-year-old youth. The other officer chased Shultz until Shultz became lost in the fields and woods beyond the theater.

However, from the identification which police secured, Hanover police arrested Shultz in Hanover early Thursday night. After the arrest Shultz was turned over to state police here.

Mummert also was involved in the Cross Keys Drive-In burglary, police learned during questioning. He had been inside the building at the lot when the officers gave chase to his two companions. # WESTERN BIG 3 AFFIRM UNITY AGAINST EAST

NEW YORK (AP)—The Western Big Three in a joint statement said Wednesday they do not recognize any East German regime—a move apparently intended to keep Berlin accessible to the West.

They said the Soviet Union remains responsible for carrying out obligations previously made with the three powers on Germany and Berlin.

The statement was aimed at agreements reached Sept. 20 by the Soviet Union and East Germany.

The three foreign ministers reaffirmed the view of their governments that "final determination of German frontiers must await a peace settlement for the whole of Germany."

One German Government

They reaffirmed also their stand that "the Federal Republic of Germany (West Germany) is the only German government freely and legitimately constituted and therefore entitled to speak for Germany as the representative of the German people in international affairs."

The Big Three statement was issued by Secretary of State Dulles, British Foreign Secretary Macmillan and French Foreign Minister Pinay.

Soon afterward they sat down for their second day of meetings preliminary to a Big Four foreign ministers' conference with Russia starting Oct. 27 at Geneva. Sitting in with them was Heinrich von

# Ferris Calls Charge Trick Against GOP

DOYLESTOWN, Pa. (AP)—Dist. Atty. Donald W. Van Artsdalen of Bucks County Wednesday investigated charges that County Coroner Russell J. T. Ferris embezzled funds in his care.

The accusation was made Tuesday by three Democratic county leaders. Ferris, who is also Republican county chairman, labeled the charges false and branded them "a political trick."

Van Artsdalen said he had asked state police and the state attorney general's office to help in his investigation of the charges.

"The charges are not true," said Ferris, a 50-year-old Doylestown tavern operator who is seeking reelection as coroner in the Nov. 8 general election.

"They are trying to discredit the Republican party through me."

The charges were aired at a news conference by county Democratic Chairman James B. Bowen, County Commissioner John T. Welsh and Gilbert J. Kraus of Furlong.

# DRASS BROKERS UNDERGO PROBE

SUNBURY, Pa. (AP)—The Pennsylvania Securities Commission sought further court action Wednesday in an inquiry of stock transactions of the J. H. Drass Co. Inc., Sunbury brokerage firm.

Frank N. Happ, commission chairman, said a hearing before Northumberland County Court would further develop the company's status.

The firm was placed in receivership pending an inquiry into what commission investigators term a \$100,000 shortage in the company's accounts. The receivership was ordered Sept. 15 by Judges William I. Troutman and Robert Portney, of Northumberland County Court. Happ said the commission held a two-hour hearing in Harrisburg

# REDS INSULT CHINA'S YEH

By TOM HOGE  
UNITED NATIONS, N. Y. (AP)—Soviet Foreign Minister Molotov and other top Communist delegates stalked from the U. N. Assembly chamber Wednesday when Nationalist China's Foreign Minister George Yeh started a policy speech.

Indian delegate V. K. Krishna Menon also left the room as Yeh began his declaration in which he told the Assembly that any improvement in East-West relations in not due to Soviet good will. It is due, he said, "to the policy of strength adopted by the free world."

It was recalled that last year when Assembly delegates paid tribute to the late Soviet delegate, Andrei Y. Vishinsky, the Nationalist Chinese were absent.

Only the heads of the Soviet, Polish, and Czechoslovak delegations — and Menon — left the room. Other members of each Soviet bloc delegation remained in their seats.

Yeh told the Assembly that collective security measures in Europe and Asia have served as the main block to the advance of world communism.

# Tower City Man Sets Fire To Hotel Room

TOWER CITY, Pa. (AP)—John Snesavage, 41, of Tower City, was charged with arson Tuesday after setting fire to his hotel room in a fit of anger at his wife's leaving him, police said. The fire spread and badly damaged the hotel's entire second floor.

Police quoted Snesavage as saying he used a pick to smash a refrigerator, bed, tables and other furniture in the room and then set fire to the room, in the three-story Stone Hotel.

Fire companies from five towns were called to quell the blaze. Snesavage was held without bail in Schuylkill County Prison following his arraignment.

A record of 3 1/2 million cars were scrapped in 1954.

# Slayer 'Loses Head' When Child Bites Him

PHILADELPHIA (AP)—Roscoe Lane Jr., 23, was charged with homicide Tuesday after admitting that he beat a three-year-old boy fatally Monday, police said.

Detectives quoted Lane as saying he "lost his head" and struck the boy with a hammer. Lane refused to stop eating candy and bit Lane who was trying to take the candy away.

Lane was visiting in the child's home while the boy's mother, Mary Sanders, was away at work. Lane and the Sanders family are negroes.

Slice tomatoes, sprinkle with salt and minced fresh basil; douse with French dressing and refrigerate until serving time. Use about two tablespoons of dressing for each medium-sized tomato.

## NEW CIGARETTE TAX IN EFFECT ON SATURDAY

Pennsylvania's new cigarette tax to provide money for the state's Special Disaster Relief Fund becomes effective Saturday.

The new law provides for the payment of five cents on a pack of twenty cigarettes, as against the former tax of four cents. The increase is based on a rate of one-half cent per ten cigarettes, and runs through the current biennium that ends May 31, 1957.

All of the receipts from the new tax are earmarked for the Special Disaster Relief Fund established by the Legislature after the August 1955 floods that took such a heavy toll in lives and property in the Commonwealth.

The Council of Civil Defense will receive the first 12 million dollars in receipts from the new tax, and any excess of that amount will be set aside for any other disaster the Commonwealth may experience in the future.

### In Effect Today

Walter J. Rothensies, director of the Cigarette Tax Division, pointed out that the new tax actually becomes effective at the close of business today.

All retailers, Rothensies said, who have stock on hand at the close of business today must file a notarized declaration of their cigarette inventory and pay the additional tax of one cent per pack of twenty cigarettes. This tax will then be passed on to the consumer in the form of a "floor-tax" starting Saturday.

After today no wholesale cigarette dealer may sell cigarettes in Pennsylvania without the proper cigarette tax stamps affixed at the new rate.

The necessary inventory forms to be notarized have been sent to all retailers and wholesalers. Rothensies said, and are due back in the Cigarette Tax Division no later than October 8.

educational program" and asked "all administrators and teachers to review the NEA Code of Ethics and put into practice the precepts contained therein."

### Seek Special Observance

The resolutions urged President Gordon to appoint a special committee to prepare plans for the observance of the 100th Adams County Teachers Institute next year; urged all administrators and teachers to "participate in curriculum revision studies at the local, county and state level"; urged that administrators and teachers "cooperate and participate in any way possible with efforts in local areas to conduct community conferences at which school problems are scheduled to be discussed."

The resolutions concluded with one calling for a moment of silence in memory of teachers who died during the last year.

Dr. Paul E. Schmoyer was the principal speaker at this morning's meeting, having as his theme "The Teacher-Opener of Doors." This afternoon guidance counselors and principals met to discuss the California tests for guidance; the school nurses and special class teachers heard a talk by Miss Bettie V. Livermore, secretary of the Adams County Rural Child Welfare Service and the remaining teachers divided into four groups, based upon the classes they teach, to discuss "Pupil Behavior and Control at School."

## BANKERS FAVOR BALANCE BUDGET AND PAY DEBT

By SAM DAWSON  
NEW YORK (AP)—Since the cold war turned into the smiling war there has been a growing hope that the U.S. budget could be balanced—and taxes cut.

But some bankers are urging today that we do better than that—more than balance the budget so that the huge federal debt can be cut. To do this probably would mean putting off the longed-for tax cuts for awhile.

Budget making time is here. It is one of the most controversial and important functions that will be going on while the President isn't on hand to referee.

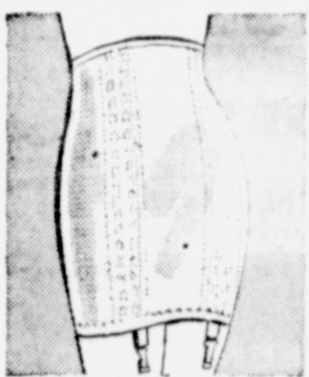

Already Washington reports that the Secretary of the Treasury would like to see one billion dollars trimmed from present spending plans, and that the Secretary of Defense fears that any cut in defense plans at this time would be dangerous. He apparently suspects the Russian smile is warmer than his heart is likely to be.

### "IF I HAD KNOWN"

To you I gave my deepest heart your wish was my command... and when you were in need of love... I offered you my hand... my moments were completely yours... I lived to make you gay... because I thought our love would live... forever and a day... your sweet embrace was paradise... your kiss beyond compare... and though the things I pen seem trite... they're meant to show I care... with you beside me it was like... a strange and magic dream... no trial or trouble was too great... we had a winning team... but then you took your love away... and filled my skies with rain... there are no words to set apart... a broken heart's great pain... and so I reminisce and write... regretful and alone... I would have done quite differently... if I had only known.

In its October survey, out today.

The bank's idea that tax cuts should wait is unlikely to prove very popular—either with individuals or with company managements.

Corporations pay more than half of their earnings to the federal government—not to mention taxes to other governments. Federal rates on individual incomes range from 20 to 91 per cent. Heavy excise taxes discriminate against some industries and their customers. And state and local tax rates continue to climb.

"The need for tax relief is only too obvious," the bank concedes. But it argues that debt retirement now would contribute to future tax cuts by paring the considerable cost of carrying the present huge debt.

The debt can be cut only by paring government expenditures or by keeping the present high tax rates, or by both.

Tax cutting however, with or without expense paring, is going to be very popular in Congress—especially with the elections coming up and the voters anxious for tax relief.

## STATE POLICE MAY WEAR NEW TYPE UNIFORM

By BOB HOLTEN

HARRISBURG (AP)—The trend toward comfortable clothing might soon crumble a half century of Pennsylvania state police tradition.

Consideration is being given to a change in summer uniforms for the troopers that would feature straight trousers in place of the breeches and leggings now worn.

"We have just about decided on what type summer uniform to adopt and we soon expect to submit our proposal to the governor for his approval," said Col. Earl Henry, state police commissioner.

The new summer uniform, Henry said in an interview, probably would be of a light tropical worsted material and "slightly lighter in color" than the present uniforms used in the summer.

The present summer uniform, Henry said, is made of a "fairly heavy" cotton material that can be "very hot in the summer."

Capt. Harry Kerns, chief of the force's Quartermaster Corps, looked to the proposed change with "happy anticipation."

### Much More Comfortable

"If we can give our men more comfortable uniforms and take away those hot leggings in the summer, they will feel quite a bit better and not have to roast," Kerns said.

State policemen working at certain inside jobs for some years have been wearing the straight trousers.

However, since the force was founded 50 years ago, the men on patrol duty have always worn the breeches and leggings.

"If we adopt the new uniform, some of the men will still have to hear the breeches to drive motorcycles," Kerns said.

The plan calls for using the old summer uniforms to outfit recruits during their training period at the Hershey school.

"There will be no money lost in the deal," Kerns assured. "It will just mean shifting the old outfits to the trainees and buying new outfits for the other men."

Kerns said the new issue, if approved, would not be put into use until next summer.

## BUDGET CUTS CHEAT PUBLIC AID PROGRAM

HARRISBURG (AP)—A cabinet official contended today that legislative budget cuts will "short change" the commonwealth's public assistance program.

"It now appears that even the original budget requests for public assistance may be conservative," declared Secretary of Public Assistance Ruth Grigg Horting.

"Economic conditions haven't been as good as anticipated when the budget request was originally prepared in January," Mrs. Horting added.

Gov. Leader asked the Legislature to approve a 138 million dollar budget for the Public Assistance Department—a 12 per cent increase over expenditures in the 1953-55 biennium.

The Democrat-controlled House, however, trimmed seven million dollars from the department budget which would have paid for increased housing allowances for the needy.

### 131 Million Cut

"I am concerned that the appropriation requests as submitted by the governor may short change the program," Mrs. Horting said. "I am even more concerned about the cut by the House to 131 million dollars."

The department contends that while it originally sought a 12 per cent budget increase for the 1955-57 biennium, there has been an 81 per cent increase in the number of unemployed since the beginning of the 1953 biennium and an increase of 79 per cent in public assistance roles.

As of July—the latest month for which figures are available—there were 283,000 unemployed in Pennsylvania. In July 1953, a peak employment year in the state, there were 160,000 unemployed.

While the nation as a whole shows a three per cent increase in total employment, Pennsylvania has had a five per cent drop.

Mrs. Horting noted that economic conditions were worse in Pennsylvania in 1954 than this year.

### Economic Condition Better

"Economic conditions are so much better now than in 1954 that people have lost sight of the fact present conditions are not nearly so good as in 1953," Mrs. Horting declared.

Department figures indicate that housing represents the greatest de-

## Measure Eases Bank Ruling On Mergers

HARRISBURG (AP)—A proposal to ease restrictions on banks in notifying their clients of proposed mergers was signed into law yesterday by Gov. Leader.

The measure will permit notification of a proposed merger in legal advertising in newspapers for three successive weeks instead of writing all persons interested in funds held by the bank as a guardian or in trust.

Another bill signed into law will require the director of accounts and finance in third class cities, instead of the mayor, to consolidate and present to council the quarterly reports on expenditures and operations.

### OPEN NEW OFFICE

COATESVILLE, Pa. (AP)—Lukens Steel Co. announced yesterday that its eastern Pennsylvania, southern New Jersey, Maryland and Delaware customers will be served out of a new sales office here. The sales offices in Philadelphia and Coatesville are to be merged to form the new office.

### NEW U. S. SHRINE

WASHINGTON CROSSING, Pa. (AP)—America has a new national shrine today. It is the Piddock Thompson-Neely House which served as George Washington's headquarters prior to the historic crossing of the Delaware River on Christmas Day, 1776. It was officially dedicated yesterday.

Efficiency in the public assistance program. The DPA estimated 35,000 people pay rent above maximums for their families in order to get adequate housing.

And in order to get adequate housing people on public assistance will take money from the food and clothing allowances to pay rent, Mrs. Horting said.

The maximum rental allowances in the state are in Allegheny County where a single person can get \$23.80 a month for rent, while a family of six or more can get \$40.40.

In some rural counties the maximums run as low as \$12.60 a month for a single person and \$21.40 for a family of six or more.

The department noted that the bulk of the increase in unemployed has been reflected in public assistance roles. The total on public assistance in July was 107,531 persons, an increase of 79 per cent over the same month in 1953.

# NEW CIGARETTE TAX IN EFFECT ON SATURDAY

Pennsylvania's new cigarette tax to provide money for the state's Special Disaster Relief Fund becomes effective Saturday.

The new law provides for the payment of five cents on a pack of twenty cigarettes, as against the former tax of four cents. The increase is based on a rate of one-half cent per ten cigarettes, and runs through the current biennium that ends May 31, 1957.

All of the receipts from the new tax are earmarked for the Special Disaster Relief Fund established by the Legislature after the August 1955 floods that took such a heavy toll in lives and property in the Commonwealth.

The Council of Civil Defense will receive the first 12 million dollars in receipts from the new tax, and any excess of that amount will be set aside for any other disaster the Commonwealth may experience in the future.

**In Effect Today**

Walter J. Rothensies, director of the Cigarette Tax Division, pointed out that the new tax actually becomes effective at the close of business today.

All retailers, Rothensies said, who have stock on hand at the close of business today must file a notarized declaration of their cigarette inventory and pay the additional tax of one cent per pack of twenty cigarettes. This tax will then be passed on to the consumer in the form of a "floor-tax" starting Saturday.

After today no wholesale cigarette dealer may sell cigarettes in Pennsylvania without the proper cigarette tax stamps affixed at the new rate.

The necessary inventory forms to be notarized have been sent to all retailers and wholesalers Rothensies said, and are due back in the Cigarette Tax Division no later than October 8.

educational program" and asked "all administrators and teachers to review the NEA Code of Ethics and put into practice the precepts contained therein."

**Seek Special Observance**

The resolutions urged President Gordon to appoint a special committee to prepare plans for the observance of the 100th Adams County Teachers Institute next year; urged all administrators and teachers to "participate in curriculum revision studies at the local, county and state level"; urged that administrators and teachers "cooperate and participate in any way possible with efforts in local areas to conduct community conferences at which school problems are scheduled to be discussed."

The resolutions concluded with one calling for a moment of silence in memory of teachers who died during the last year.

Dr. Paul B. Schmoeyer was the principal speaker at this morning's meeting, having as his theme "The Teacher-Opener of Doors." This afternoon guidance counselors and principals met to discuss the California tests for guidance; the school nurses and special class teachers heard a talk by Miss Bettie Y. Livermore, secretary of the Adams County Rural Child Welfare Service and the remaining teachers divided into four groups, based upon the classes they teach, to discuss "Pupil Behavior and Control at School."

# JURY CONVICTS HAINES FOR 1ST DEGREE MURDER

CARLISLE, Pa. (AP)—Percy S. Haines was sentenced to life imprisonment yesterday for the courtroom slaying of Carlisle Attorney John D. Faller last Aug. 2.

The 60-year-old Neville farmer was convicted of first-degree murder last week by a jury which fixed the life imprisonment penalty.

Judge W. C. Sheely told Haines, "You are very fortunate the jury found extenuating circumstances to recommend life imprisonment because the evidence of the commonwealth fully justified the death penalty." There was no clarification as to the "extenuating circumstances." Two psychiatrists testified, however, during the trial that Haines suffered from a "paranoid personality disturbance."

Injured in the shooting spree in Cumberland County Court, the same court where the sentencing and trial were held, were Judge Mark E. Garber, Haines' wife Lulu and George Black, Chambersburg attorney.

Haines had been brought into court on a nonsupport charge filed by his wife. Haines opened fire after Garber ordered him to pay support.

**ELLIS RITES SATURDAY**  
Funeral services will be held for Edward R. Ellis, 59 York St., Saturday morning at 11 o'clock at Dugan's Funeral Home, Bendersville. Rev. Dr. H. W. Stenat will officiate. Burial will be in Bender's Church cemetery.

Friends may call Friday evening at the funeral home from 7 o'clock until 9.

**MARRIAGE LICENSE**  
A marriage license was issued today at the court house to James Walter Herman, son of Mr. and Mrs. John W. S. Herman, New Oxford and Margaret Virginia Daum, New Oxford R. 1, daughter of the late Mr. and Mrs. Clemens Daum.

**PROPERTY IS SOLD**  
Annie C. Spangler, Union Twp., has sold to Paul C. Spangler, same place, for \$1, a property in that township according to a deed filed at the court house.

**JUDGE IS IMPROVED**  
PITTSBURGH (AP)—Justice T. McKen Chidsey of the state Supreme Court "improved quite a bit" and spent a "fairly comfortable night," Mercy Hospital reported today. His condition was described as "fair." Justice Chidsey, 71, collapsed Tuesday while listening to arguments in a Supreme Court case.

## Out Of The Past

From the Files of the  
Star and Sentinel and  
The Gettysburg Times

## FIFTEEN YEARS AGO

Dr. Wentz Has Filled Many Major Lutheran Positions: Dr. Abdel Ross Wentz, installed today as new president of the Gettysburg Lutheran Theological seminary, has served his church in many official capacities. High positions in his denomination and as representative of religious groups in this nation and internationally have made it necessary for him to go abroad often. He has crossed the Atlantic 12 times in the interest of religious study and world church work and two years ago went around the world visiting mission stations in addition to attending a world conference at Madras, India.

Besides his official duties with many church and denominational boards and his work at the seminary where he has been professor of church history since 1916, he has filled many of the larger pulpits of the east as supply between regular pastors. Although he has never been a pastor in full congregation he probably has preached more sermons per year than the average pastor.

Doctor Wentz was born of Pennsylvania Dutch parents in the southern part of York county and was reared in northern Carroll county in Maryland.

Dr. Wentz, Seventh Seminary President: Today the Gettysburg Lutheran Theological seminary inaugurated its seventh president in 1915 years; laid the cornerstone for the \$125,000 chapel to be dedicated next September and then installed a new member of the faculty to complete one of the most memorable days in the long history of the institution.

Before several hundred official ecclesiastical and academic delegates of Lutheran church organizations and boards, other denominations, and world-wide religious bodies as well as representatives of colleges and universities in many sections of the nation, Dr. Abdel Ross Wentz, Maryland synod professor of church history at the seminary since 1916 and an alumnus of the institution, was inaugurated at exercises beginning at 9 o'clock this morning in Christ Lutheran church.

\$10,000 Gift To Seminary By 7 Sons To Honor Father, 89: A gift of "more than \$10,000" to the Gettysburg Lutheran Theological Seminary in honor of J. Valentine Wentz, 89, Lineboro, Maryland, father of Dr. Abdel Ross Wentz, who was inaugurated this morning as the new president of the seminary, was announced this afternoon at the seminary.

Emmitsburg's Oldest Citizen Expires At 97: George Thomas Hummerick, 97, Emmitsburg's oldest resident, died Tuesday morning at 11 o'clock at the home of his daughter, Mrs. Edwin Christner, from a complication of diseases. About two weeks ago he fractured an arm in a fall and his condition gradually became worse.

Temperature At 32 Degrees In Arendtsville: After Wednesday's rains the mercury nose-dived here and formed ice for the first time this fall in Adams county.

Mrs. Frazer, 87, Makes Nine Quilts: Mrs. Barbara Frazer, 225 Steinwehr avenue, is quietly observing her 87th birthday anniversary today. She is in good health.

During the last year Mrs. Frazer made nine quilts by hand.

Culp Serious After Gun Fight With 2 Robbers: Badly beaten by two men he sought to question in Race Horse alley just east of Carlisle street, about 3 o'clock this morning, Borough Officer Charles W. Culp Jr., 49, lies in the Warner hospital today in a serious condition from a compound fracture of the skull, cerebral concussion, a bullet wound through the left knee and an injury to the left hand.

Officer Culp reported to Chief of Police Glenn Guise he shot one of the two thugs in the semi-darkness of the alley. After beating him down with heavy blows on the head with a two-foot pinch

## THE LITTLE WANT ADS

A newspaper without its Little Want Ads has a narrowed soul! From time to time I had a lot of fun going through a junk shop at Halifax, Nova Scotia, where I purchased many an odd item for my summer island retreat. I was intrigued by the line made famous by the owner: "From a needle to an anchor. Well, that is how flexible and varied are the Little Want Ads in an up and climbing newspaper. It's a regular trading post for almost everything under the sun!

Study a single page of Want Ads in your newspaper and you will learn about many a phase of human society that you never knew about before. Humor, romance, and even sorrow are displayed there. Many a business has been initiated from the use of these silent salesmen. Jobs, homes, automobiles, second-hand articles, and what have you and what do you want? They are all displayed in these Little Want Ads. They are busy business getters. Lose something? They will find it for you! Want to rent an apartment, sell or buy a farm or home? They will get quick action — and at such a small cost!

Many a business has been built from the use of these busy people and opportunity hunters. Advertisers select the Want Ad newspapers to display their offerings, especially the national advertisers. Besides, the Want Ad pages team with human interest and business news! They help to make a complete newspaper.

The present president of General Motors got a job by using one of these Want Ads that finally gave him the opportunity to join this great corporation. My first job, after graduating from college, was gained from one of these Want Ads in a Chicago newspaper, and when I went into a business of my own I got all my help from Want Ads. It's the Little Want Ads that keep a progressive newspaper alive!

Tomorrow Mr. Adams will talk on the subject: "My Favorite Season"

## AGE

Age is what all hope to reach.  
Wished for loved one and for friend;

Theme of many a gracious speech  
As man nears the journey's end.  
Still, when it has come, it's said,  
Age is timid; youth is bold;

For the tasks that lie ahead,  
Pass him by, for he's too old.

I would say a word for Age.  
Wisdom often it supplies.  
Makes of many a man a sage,  
Puts a twinkle in the eyes.

This the wish from year to year,  
Though to friends it's never told:  
May you live until you hear,  
"Step aside, You're much too old."

Age is not of counted years.  
Nor the head turned silver gray.  
If the spirit young appears  
Youthful heart and mind will stay.

Time may weary them with strife,  
But for friends this thought I hold:  
For the tasks and joys of life  
May they never be too old.

## HEART EXPERT

## WOULDN'T RUN IF HE WERE IKE

NEW YORK (AP)—Dr. Paul D. White, noted Boston heart specialist who attended President Eisenhower, said today that if he were Eisenhower he "wouldn't want to run" for a second term.

Interviewed on the NBC television show "Today," Dr. White was asked if he believed it would be possible for the President to serve a second term in view of his recent heart attack.

Dr. White replied: "Many things are possible that may not be advisable. It is up to him to make the decision. He may or may not have complete recovery. If I were in his shoes I would not want to run again, having seen the strain."

The doctor added: "It remains to be seen how active he can be in the future." However, he said all signs were "very encouraging and that the President's morale was good."

"I talked at some length with the President last Monday," Dr. White said, "to tell him just what the situation is as we see it medically."

"Excellent Patient"

"He took all this in and I'm sure he'll be an excellent patient."

The internationally famous physician expressed the view that it will be a good thing to permit Eisenhower to initial a couple of documents as is planned tonight.

"It seemed wise to allow him to do it," said Dr. White. "It is good for his morale, it involves no extra work and no worry. The extra job will do no harm I'm sure."

Asked if the crisis in such cases usually is reached within two weeks, the doctor said the most difficulty is encountered during the first few days and "the danger isn't completely over for about two weeks."

He continued:

"Very few complications occur after the second week."

# World Series Switches To Brooklyn After Yanks Win First Two; Bauer Is Hurt

By JOE REICHLER  
NEW YORK (AP)—Crafty old Casey Stengel led his high and mighty but crippled New York Yankees into Ebbets Field today poised and prepared to polish off the frustrated Brooklyn Dodgers in quick order.

Despite the disability of Mickey Mantle and Hank Bauer, two of his leading guns, the grizzled manager was confident his American League champions would sweep the World Series in four straight or, at worst, in five games.

The odds-makers apparently agree. They made the Yankees a prohibitive 5-2 favorite to win their 17th series and sixth straight against the Dodgers.

Not since 1921 has a team, after losing the first two games, gone on to win the title. That year the New York Giants did it against the Yankees. But that was in best five-of-nine games series. Never has it been achieved since the present four-of-seven system was restored the following year.

## Two Stars Injured

"I know those fellows have a good club," Stengel said last night, several hours after the Yankees had whipped the Dodgers 4-2. "But we got a better one. I also know that two of my power guys will be missing—maybe for the rest of the series—but I've got some pretty good fellows on the bench too."

"Playing in their park don't scare me none either. It makes no difference to my guys. They won a couple of pennants for me on the road and if I remember right, they did all right in Brooklyn in other years."

Having turned back the winless Brooks with two left-handers in the Stadium, Stengel gave the third-game assignment to Bullet Bob Turley, the right-handed ace who never before has appeared in a series game.

## Podres Goes Today

Walter Alston, who saw his two top right-handers blasted off the hill on successive days, switched to a left-hander, Johnny Podres, who has made one World Series appearance, in 1953.

The injury to Bauer forced Stengel to make a change in his lineup today. Bob Cerv, who replaced Bauer yesterday, was the new starting center fielder with Elston Howard in Bauer's place in right and Irv Noren in left. Against a left-hander, Bill Skowron replaced Joe Collins at first. Alston also made a change, shifting Sandy Amoros in left and shifting Junior Gilliam to second base supplanting Don Zimmer because the Yanks started a right-hander.

## Pulls Thigh Muscle

Bauer's injury came during a double play in the first inning. Roy Campanella tossed him out at second as Gil McDougald fanned. Bauer, trying to evade the tag, pulled a muscle in his right thigh which forced his exit two innings later. Mantle, still plagued by the torn muscle in his right thigh, is not hopeful of seeing action in the series, except perhaps as a pinch hitter.

Byrne held the Dodgers' fear-some right-handed power to five hits as he became the first left-hander to go the distance and beat the Dodgers in more than a year.

Byrne, a 35-year-old Baltimore native who now makes his home in Wake Forest, N.C., fanned six, including the dangerous Duke Snider with a man on base in the eighth and Gil Hodges for the last out in the ninth.

## Four In Fourth Hurt

The Bronx Bombers collected only eight hits off four pitchers, but they put together four singles after two were out in the big fourth to score all their runs.

Billy Loes was shelled from the mound in this big inning, going the way of on Newcombe the day before. And as in the first game, the bullpen came through in fine style, not permitting a run after that. Don Bessent, Karl Spooner and Clem Labine allowed only one hit through the last 4-13 innings.

The Dodgers had gained a 1-0 advantage when Pee Wee Reese doubled and scored on a single by Duke Snider. The Dodgers' chance for a big inning fizzled when Elston Howard threw out Snider trying to stretch the hit into a double.

## Byrne Clinches Game

Loes, who had pitched a strong three innings with the help of two double plays, appeared out of the woods in the fourth when the Dodgers pulled off another twin killing following a single by Gil McDougald.

But Yogi Berra singled to left and Joe Collins walked. Howard drove in the tying run with a single and Billy Martin put the Yankees ahead 2-1 with another one-bagger. The bases were filled when Eddie Robinson, batting for Phil Rizzuto, was hit with a pitched

# PITTSBURGH TO GET ACID TEST WITH SOONERS

NORMAN, Okla. (AP)—The question whether the University of Pittsburgh has returned to its former football greatness may be answered tomorrow when the Panthers run smack into Oklahoma's 20-game winning streak.

Coach Johnny Michelosen, a Pitt alumnus from Jock Sutherland's powerful Panther eleven of the late 20s and 30s, has his crew keyed to snap college football's longest current victory streak.

How far the Panthers have slipped from the glory days of yesterday is attested by the fact they have had only three winning seasons since 1939.

But Pitt this year started off in impressive style with triumphs over California (27-7) and Syracuse (22-12), while the Sooners sputtered to a 13-6 victory in their opener. Oklahoma exhibited a powerful offense against North Carolina but seemed to lack its usual scoring punch.

Oklahoma is ranked 5th and Pittsburgh 12th in this week's AP poll.

Wilkinson's proud Sooners, eager to perform better before the home folks than in last week's "scare" against the Tar Heels, are rated a two-touchdown choice over Pitt. But Wilkinson has warned this game could be the toughest on the Oklahoma schedule.

The 1953 Pittsburgh team came off with a 7-7 tie in the Smoky City with the Sooners.

# JIMMY SOO COPS 28TH STRAIGHT

PHILADELPHIA (AP)—Unbeaten Jimmy Soo of Philadelphia won his 28th straight last night by coming off the floor in the sixth round to take a unanimous decision from Charley Slaughter, 133. Westfield, N. J., in their eight-round feature bout at the Plaza.

It was the first professional fight in Pennsylvania since Gov. George M. Leader slapped a suspension on the sport following the Julio Mederos-Harold Johnson fiasco here May 6.

Soo, 135½, outboxed Slaughter except for the sixth round when he went down for the eighth count under a combination.

The fight drew 1,000 who paid \$2.00.

The suspension was lifted by Leader recently after a new state boxing code was signed into law. The State Athletic Commission ruled that Johnson had been drugged prior to the nationally televised bout. He was unable to answer the bell for the third round. The new code gives the commission tighter control over all aspects of boxing in the state.

# RAPS GOLFERS NOT IN TOURNNEY

HUNTINGTON, N. Y. (AP)—Doug Ford, national P. G. A. titleholder who held the lead with a 68 at the start of the second round of the \$15,000 Long Island Open golf championship, today criticized fellow members of the Ryder Cup team for passing up the event.

"We have only three Ryder Cup nominees in this event," said Ford, winner of the All-American at Tam-O-Shanter and the \$43,000 Sponsors events in addition to the P. G. A. "Of course, a lot of his fellows are not so rugged as others but I feel that the sponsors of a \$15,000 tournament should get all of the stars in action, not just a few of the so-called hotshots."

In addition to Ford, the Ryder Cup nominees engaged in the tourney are Marty Furgol, who had 70, and Tommy Bolt, whose card showed 72.

As play went into the second round of the 72-hole match over the par 70, 6,550-yard Huntington Crescent Club course, Ford was a stroke in front of Al Brosch, veteran from the Cherry Valley Club of Garden City, N. Y., and Billy Maxwell, former national amateur titleholder from Odessa, Tex.

# GHS Faces Trojans At Chambersburg; Delone At Home

Tonight at 8 o'clock the Gettysburg High School football team plunges into the South Penn Conference campaign by opposing Chambersburg on the Trojan's field.

Chambersburg won its only game to date, a 21-7 victory over Scotland. The Warriors have lost two and tied one in three previous starts.

Other league tilts listed tonight include Carlisle at Hershey and Hanover at Middletown.

The lone home game on Adams County soil tonight will be staged at McSherrystown where the Delone Squires play host to Lancaster Catholic in a Central Penn Catholic League affair.

Lancaster promises to be a tough opponent for the Squires who have a 2-1 record. The kickoff will be at 8 o'clock.

# Second Sellout Is Reported At State

UNIVERSITY PARK, Pa. (AP)—Penn State's football team today had its second ticket sellout of the 1955 season—the Nov. 19 clash against the University of Pittsburgh at Beaver Field.

Earlier, the university announced a pre-season sellout of 30,000 tickets for the Navy game Oct. 15. The sellouts are the first in Penn State history.

The Nittany Lions, fresh from whipping Boston University 35-0 last weekend, meet Army tomorrow at West Point in another sell-out game.

But Pitt this year started off in impressive style with triumphs over California (27-7) and Syracuse (22-12), while the Sooners sputtered to a 13-6 victory in their opener. Oklahoma exhibited a powerful offense against North Carolina but seemed to lack its usual scoring punch.

# BYRNE PREFERS TO BE FIELDER

BROOKLYN (AP)—Tommy Byrne is a frustrated pitcher who wishes he'd been smart like Babe Ruth and changed to an outfielder.

"I've always had ambitions to be a hitter," the wiry North Carolinian said today after pitching and batting the New York Yankees to a 4-2 victory over the Brooklyn Dodgers in the second game of the World Series.

"If I had it all to do over again—but it's too late now—I'd have been an outfielder."

Byrne, uncorking a strikeout-sure slider in the clutch, yesterday became the first left-hander both to go the full distance and beat the right-hand-power Dodgers during the entire year.

Also it was his slashing single over short which scored Elston Howard and Billy Martin with the runs which proved the final margin of victory.

"A Good Wallp" "That was a good wallp," the 35-year-old castoff beamed proudly. "I liked it."

Shunted down to Charleston, W.Va., in 1953 after being discarded by four American League clubs, he thought his baseball days were ended.

"It was then I took stock of myself," Byrne recalls. "I told myself I was a man who could solve intricate problems in calculus but who hadn't mastered the simple dimensions of home plate."

"I was terribly wild. I was trying to blow the batters down with sheer power. So I got smart. I changed my pitching technique, mixed in sliders, curves and change-up stuff. And I learned I could help myself by using psychology in needing the batters."

# COLLEGE BOXER FIGHTS TONIGHT

WASHINGTON (AP)—Tonight's television fight fare matches Chuck Speiser, latest of the Michigan State boxing products, and Willie Troy, 23-year-old light-heavyweight veteran from Washington.

Speiser, a two-time NCAA light-heavyweight titleholder, is under the direction of Pat Knowles of Chicago, a former popular welterweight who also attended Michigan State.

In 18 professional bouts, Speiser has been a winner 15 times. He recently was released from a tour of military duty and has fought five times since winning four by knockouts and losing to Willie Pastirano of New Orleans.

Troy once fought a draw with Pastirano. He has been up against most of the tough men and has been consistently among the top ten in his division.

Tonight's 10 rounder begins at 9 p. m. (EST) and will be televised by NBC.

# CASTLEY LEADS DELONE TO WIN OVER JR. HIGH

Gettysburg and Delone Junior Highs inaugurated the 1955 football season when they clashed on the McSherrystown gridiron Thursday evening with the Junior Squires taking full advantage of the running ability of John Castley to swamp the little Warriors 27-7.

Castley, who broke into the sports news last winter by outscoring every opponent of the local parochial grade school basketball schedule, scored four touchdowns and three extra points to account for all of Delone's 27 points. Besides scoring Castley picked up a total of 169 yards rushing. After kicking off five times he made three of the opening tackles. On Delone's only punt of the game Castley booted the ball 42 yards before a Gettysburg player could get near it.

After four minutes of the first period, the little Squires scored their initial touchdown. Delone had possession of the ball on their own 25. The Squires tried two unsuccessful line plays before Castley skirted right end for 73 yards and the first tally. His plunge for the extra point was good and the Squires led 7-0 at the end of the first period.

Mitchell Scores  
Gettysburg took the ensuing kickoff and marched 63 yards for its score. The fast-moving sustained drive was highlighted by a Joel Riddimoser to George Mitchell pass good for 31 yards. Greg Maitland then plowed through the line for 11 more yards. With the ball resting on the Delone 17, little George Mitchell romped through the center of the line for the remaining yardage and a TD. Mitchell also plunged for the extra point to knot the score at 7-7.

Shortly after the kickoff Castley was again through right tackle for 32 yards and Delone's second score of the evening. This time the "little triple threat" missed the plunging try for the extra point and the half time score read 13-7 in favor of Delone. Just before the half came to a close, the Squires had regained possession of the ball and Castley had raced 16 yards to the Gettysburg two-foot line when the gun sounded.

Delone went on to tally once in the third frame and again in the fourth. Castley plunged from the three in the third stanza to account for Delone's third TD. His plunge for the extra point was good and the Squires led was boosted to 20-7.

Castley Again  
Castley, Gettysburg's contribution to Delone, tallied his final seven points in the late minutes of the last period when he crashed through the center of the line and raced 50 yards. His plunge for the final extra point was good and the final score read 27-7.

Credit must also be given to three Warrior backfield men who turned in fine jobs. Joel Riddimoser and his replacement, Nick Nichols, held down the quarterback slot in capable style for Coach Ned Brownley's squad. Jim Townsend also did a bang up job in the defensive line-backing position.

Gettysburg entertains Washington Twp. here next Thursday evening while Delone will be host to York Catholic the same evening.

Romanus Castley, brother of John, an eighth grade student at Xavier School, played the last two minutes for Delone and kicked off for the Squires after the fourth touchdown. Both are sons of Mr. and Mrs. Elmer R. Castley, R. 5.

The lineup:  
Gettysburg  
Ends: Houser, Crouse, Taylor, Renzel.

A near-capacity crowd is expected to pour into the Hershey Stadium Saturday evening for the eighth annual Chocolate Bowl football game which will pit the Gettysburg College Bullets against the Thundering Herd of Bucknell. The game, which starts at 8:30 o'clock, is being sponsored by the Harrisburg Rotary Club for the benefit of the Rotary Foundation.

The advance sale of tickets locally has indicated the Bullets will have a strong backing when they make their season debut. Heading the delegation will be the Gettysburg College band of more than 50 members, attired in new blue uniforms with orange braiding. Miss Dawn Burg, a freshman who holds many baton twirling titles, will lead the baton twirlers.

In the pink of condition as the result of four weeks of hard drilling, the Bullets are primed to give the Bisons a battle all the way.

Last Saturday night the Bullet coaching staff watched Bucknell defeat Albright 25-14 and were impressed with the typical running power of the Bisons.

Claims Best Backfield  
Harry Lawrence, Bison coach, recently tabbed his veteran backfield quartet as "the best backfield in the state. They can run, run hard." Included in the group, which averages about 180 pounds, are Ron Hendricks, Bob Sierer, Dick McCartney and Bob Ford.

The top concern of Coach Lawrence has been moulding an entire new forward line, all seven regulars from last season having been lost due to graduation. His underclassmen performed well against Albright last week and another powerhouse Bucknell squad appears in the making.

Gettysburg's overall depth may offset somewhat the advantage of Bucknell in having played a game.

Bullet Starters  
The Bullets are particularly fortunate in having a flock of capable backs. Starts will include Frank Gagliardi, quarterback, piloting the team for his third straight year; Bruce Pieper and Dave Lichtenfeld, halfbacks, and Bill Morro, fullback. Backing them up and certain to see plenty of duty are Jim Soltes, Mike Duka, Ernie Paliszewski, Frank Capitani, Bob Lebo and Charles Heverly.

Up front Coach Yovicsin has nominated Fred Alleva and Dick Lewandowski, ends; Barry DeSainick and Frank Eckert, tackles; Barry Attig and Jerry Harrell, guards, and Sheldon Yingst, center, as starters.

Among the first line replacements on the forward wall will be Bill Ward and Art Hendley, ends; Al Kempton and Charley Dolphin, tackles; Don Harman and Joe Robinski, guards; Dave Graybill, center.

Of the starters, nine are seniors and two are juniors—Harrell and Lichtenfeld.

Looms As Toughest  
Last year the Bison ran over the Bullets 29-0 at Lewisburg and the Orange and Blue men are bent on avenging that setback.

From every angle, Saturday's game shapes up as the toughest on the Bullet program.

The game will mark the 40th Center: Staub.

# GHS RESERVES TAKE OPENING CONTEST 19-0

Outplaying their opponents the whole way, the Gettysburg High School junior varsity football team opened its season by trouncing the Waynesboro jayvees 19-0 here Thursday afternoon.

Kenny Keefe, Gettysburg back, accounted for a pair of touchdowns, his first coming in the second period when he streaked around end and scampered 60 yards. Keefe had another 60-yard dash called back due to a Gettysburg penalty.

His second score came midway in the third period as he plunged over from the 2-yard line to climax a Warrior drive.

Dick Pyle added the third six-pointer in the final quarter on a quarterback sneak from the 1. Rex Baltzley added the extra point on a line plunge. A pair of passes fell incomplete in point tries following Keefe's tallies.

The entire local outfit put up a nice game with Keefe's running being outstanding. Waynesboro never made a serious scoring threat.

Coach Don Bickel will take his charges to Boiling Springs for a game Monday afternoon.

The lineup:

PHILADELPHIA (AP)—Philadelphia Mrs. T. Ellwood. Webster and Alice Gray were matched today against Mrs. Harold Gade and Mrs. Walter Acuff Jr., also of Philadelphia, in the final round of the Huntingdon Valley C. C. Invitation better-ball-of-partners golf tournament.

Mrs. Webster dropped a curling, 18-foot putt on the 18th hole yesterday to defeat Mrs. John Dyson, Central Pennsylvania champion from Harrisburg, and Mrs. Lynn Creason, Harrisburg district champion, one up.

Mrs. Gade and Mrs. Acuff earned a final round berth by defeating Josephine Smith and Mrs. John Farmakin of Philadelphia, one up on the 19th hole.

# 3 TEXAS GRID ACES GET TEST OVER WEEKEND

By HUGH FULLERTON JR.  
The Associated Press  
Texas, home of fabulous football backs, sends three upper-bracket performers into major games this weekend, and if they're as good as their billings say, they're likely to create quite a disturbance in the college rankings.

Tonight Joe Clements, the tall University of Texas sophomore, matches his passes against the running of Southern California's Jon Arnett. Tomorrow his Baylor and Bobby Jones against top-ranked Maryland in the big one, and Texas Christian's Jim Swink against defending champion Arkansas in a highly important Southwest Conference tussle.

Although Texas has only split even in two games, Clements' pitching arm has produced 299 yards and four touchdowns and has made him the leading ground-gainer in major college football. Arnett and his USC mates, who have run up big scores in two games, haven't found a place among the statistical leaders.

Quarterback Jones, key man in Baylor's attack, will be opposed by another fine quarterback in Maryland's Frank Tamburello. The Bears' hopes are pinned mainly on the possibility that Maryland will suffer a letdown after beating UCLA last week and vaulting into the No. 1 spot.

Swink, the nation's No. 1 ball carrier, likely will be hard pressed to hold that ranking when TCU bumps into Arkansas at Fayetteville, Ark.

These aren't necessarily the biggest games—even involving Texas teams—on an unusually hectic early season slate. For instance, Southern Methodist, still well regarded despite a loss to Notre Dame, bumps into second-ranked Georgia Tech and Rice takes on Louisiana State in inter-sectional games.

Other Contests  
Michigan, rated second in the AP poll after an impressive opening victory over Missouri, faces sophomore-loaded Michigan State. Notre Dame (No. 4) encounters Indiana. Oklahoma and Army, fifth and sixth in the poll rankings, take on a pair of the East's toughest teams, Pittsburgh and Penn State. Seventh-ranked UCLA (first a week ago) meets Washington State.

# The Biglerville and Littlestown High School football squads will be out to protect unbeaten records in their contests Saturday.

Biglerville tangles with an old rival, Boiling Springs, Saturday evening at 8 o'clock at Biglerville while Littlestown invades foreign territory for the second straight week to battle York Catholic at 2 p.m.

An over-flow crowd is expected to witness the Canner-Bubble contest of Musselman Memorial Field.

Bill Coradetti's Biglerville outfit has been a pleasant surprise this season as the result of a 14-6 win over Shippensburg and Monday's 25-7 rousing of Camp Hill. Coupled with three wins at the end of last year's campaign, the Cannars have a five-game winning streak going.

Each year Boiling Springs seems to come up with a potent team and Coach Bud Ecker appears to have another such combination in the making. After submitting to a 33-0 walloping at the hands of Hummelstown in their opener, the Bubblers bounced back Monday to nip charged Enola 6-0.

Saturday's tilt promises to be a nip and tuck affair all the way.

# Littlestown-York Catholic Possessors of Two Laurel League victories in their previous games. Coach Wib Gebrecht's Littlestown Thunderbolts clash with York Catholic in a non-conference affair at York Saturday afternoon at 2 o'clock.

The Bolts have the longest winning streak of any county school. In addition to a pair of triumphs this season, the Bolts finished the 1954 campaign with seven straight decisions. Last year, Littlestown compiled a 7-0-1 record and shared the Laurel Loop title.

York should prove to be a severe test for Littlestown. The Irish gave Middletown, a highly-regarded South Penn team, a stiff battle before yielding to Middletown 25-6.

BLOOMSBURG, Pa., Sept. 30 (AP)—Anthony Hanover, who set a new trotting record at the Bloomsburg Fair yesterday, has been retired according to his owner, T. J. Zarnow of Pittsford, N.Y.

The horse, which earned over \$90,000 during his career, set the record by winning one of the feature events in 2:04 1-5.

Other winners in yesterday's events were Leader Hanover, owned by Bowman A. Brown, Harrisburg; Vinco, owned by Don Wilson, Lewisburg, Pa.; Bobbie Funk, owned by H. A. Orr, Indiana, and Old Hickory, owned by Brown.

## World Series Switches To Brooklyn After Yanks Win First Two; Bauer Is Hurt

By JOE REICHLER

NEW YORK (AP)—Crafty old Casey Stengel led his high and mighty but crippled New York Yankees into Ebbets Field today poised and prepared to polish off the frustrated Brooklyn Dodgers in quick order.

Despite the disability of Mickey Mantle and Hank Bauer, two of his leading guns, the grizzled manager was confident his American League champions would sweep the World Series in four straight or, at worst, in five games.

The odds-makers apparently agree. They made the Yankees a prohibitive 5-2 favorite to win their 17th series and sixth straight against the Dodgers.

Not since 1921 has a team, after losing the first two games, gone on to win the title. That year the New York Giants did it against the Yankees. But that was in best five-of-nine games series. Never has it been achieved since the present four-of-seven system was restored the following year.

### Two Stars Injured

"I know those fellows have a good club," Stengel said last night, several hours after the Yankees had whipped the Dodgers 4-2. "But we got a better one. I also know that two of my power guys will be missing—maybe for the rest of the series—but I've got some pretty good fellows on the bench too."

"Playing in their park don't scare me none either. It makes no difference to my guys. They won a couple of pennants for me on the road and if I remember right, they did all right in Brooklyn in other years."

Having turned back the winless Brooks with two left-handers in the Stadium, Stengel gave the third-game assignment to Bullet Bob Turley, the right-handed ace who never before has appeared in a series game.

### Podres Goes Today

Walter Alston, who saw his two top right-handers blasted off the hill on successive days, switched to a left-hander, Johnny Podres, who has made one World Series appearance, in 1953.

The injury to Bauer forced Stengel to make a change in his lineup today. Bob Cerv, who replaced Bauer yesterday, was the new starting center fielder with Elston Howard in Bauer's place in right and Irv Noren in left. Against a left-hander, Phil Skovron replaced Joe Collins at first. Alston also made a change, starting Sandy Amoros in left and shifting Junior Gilliam to second base supplanting Don Zimmer because the Yanks started a right-hander.

### Pulls Thigh Muscle

Bauer's injury came during a double play in the first inning. Roy Campanella tossed him out at second as Gil McDougald fanned Bauer, trying to evade the tag, pulled a muscle in his right thigh which forced his exit two innings later. Mantle, still plagued by the torn muscle in his right thigh, is not hopeful of seeing action in the series, except perhaps as a pinch hitter.

Byrne held the Dodgers' fearsome right-handed power to five hits as he became the first left-hander to go the distance and beat the Dodgers in more than a year. Byrne, a 35-year-old Baltimore native who now makes his home in Wake Forest, N.C., fanned six, including the dangerous Duke Snider with a man on base in the eighth and Gil Hodges for the last out in the ninth.

The Bronx Bombers collected only eight hits off four pitchers, but they put together four singles after two were out in the big fourth to score all their runs.

Billy Loes was shelled from the mound in this big inning, going the way of on Newcombe the day before. And as in the first game, the bullpen came through in fine style, not permitting a run after that. Don Bessent, Karl Spooner and Clem Labine allowed only one hit through the last 4-1-3 innings.

The Dodgers had gained a 1-0 advantage when Pee Wee Reese doubled and scored on a single by Duke Snider. The Dodgers' chance for a big inning fizzled when Elston Howard threw out Snider trying to stretch the hit into a double.

### Byrne Clinches Game

Loes, who had pitched a strong three innings with the help of two double plays, appeared out of the woods in the fourth when the Dodgers pulled off another twin killing following a single by Gil McDougald.

But Yogi Berra singled to left and Joe Collins walked. Howard drove in the tying run with a single and Billy Martin put the Yankees ahead 2-1 with another one-bagger. The bases were filled when Eddie Robinson, batting for Phil Rizzuto, was hit with a pitched

ball. Byrne, a good hitting pitcher, then drove in the winning runs with a two-run single to center.

At this point Manager Alston replaced Loes, a move many second guessers among the crowd of 64,707 thought should have been made earlier in the inning.

## PITTSBURGH TO GET ACID TEST WITH SOONERS

NORMAN, Okla. (AP)—The question whether the University of Pittsburgh has returned to its former football greatness may be answered tomorrow when the Panthers run smack into Oklahoma's 20-game winning streak.

Coach Johnny Michelosen, a Pitt alumnus from Jock Sutherland's powerful Panther eleven of the late 20s and 30s, has his crew keyed to snap college football's longest current victory skid.

How far the Panthers have slipped from the glory days of yesterday is attested by the fact they have had only three winning seasons since 1939.

But Pitt this year started off in impressive style with triumphs over California (27-7) and Syracuse (22-12), while the Sooners sputtered to a 13-6 victory in their opener. Oklahoma exhibited a powerful offense against North Carolina but seemed to lack its usual scoring punch.

Oklahoma is ranked 5th and Pittsburgh 13th in this week's AP poll.

Wilkinson's proud Sooners, eager to perform better before the home folks than in last week's "scare" against the Tar Heels, are rated a two-touchdown choice over Pitt. But Wilkinson has warned this game could be the toughest on the Oklahoma schedule.

The 1953 Pittsburgh team came off with a 7-7 tie in the Smoky City with the Sooners.

## JIMMY SOO COPS 28TH STRAIGHT

PHILADELPHIA (AP)—Unbeaten Jimmy Soo of Philadelphia won his 28th straight last night by coming off the floor in the sixth round to take a unanimous decision from Charley Slaughter, 133, Westfield, N. J., in their eight-round feature bout at the Plaza.

It was the first professional fight in Pennsylvania since Gov. George M. Leader slapped a suspension on the sport following the Julio Mederos-Harold Johnson fiasco here May 6.

Soo, 135½, outboxed Slaughter except for the sixth round when he went down for the eighth count under a combination.

The fight drew 1,000 who paid \$2.00.

The suspension was lifted by Leader recently after a new state boxing code was signed into law.

The State Athletic Commission ruled that Johnson had been drugged prior to the nationally televised bout. He was unable to answer the bell for the third round. The new code gives the commission tighter control over all aspects of boxing in the state.

## RAPS GOLFERS NOT IN TOURNNEY

HUNTINGTON, N. Y. (AP)—Doug Ford, national P. G. A. titleholder who held the lead with a 68 at the start of the second round of the \$15,000 Long Island Open golf championship, today criticized fellow members of the Ryder Cup team for passing up the event.

"We have only three Ryder Cup nominees in this event," said Ford, winner of the All-American at Tam-O-Shanter and the \$43,000 Sponsors events in addition to the P. G. A. "Of course, a lot of this fellows are not so rugged as others, but I feel that the sponsors of a \$15,000 tournament should get all of the stars in action, not just a few of the so-called hotshots."

In addition to Ford, the Ryder Cup nominees engaged in the tourney are Marty Furgol, who had 70, and Tommy Bolt, whose card showed 72.

As play went into the second round of the 72-hole match over the par 70, 6,550-yard Huntington Crescent Club course, Ford was a stroke in front of Al Brosch, veteran from the Cherry Valley Club of Garden City, N. Y., and Billy Maxwell, former national amateur titleholder from Odessa, Tex.

## GHS Faces Trojans At Chambersburg; Delone At Home

Tonight at 8 o'clock the Gettysburg High School football team plunges into the South Penn Conference campaign by opposing Chambersburg on the Trojan's field.

Chambersburg won its only game to date, a 21-7 victory over Scotland. The Warriors have lost two and tied one in three previous starts.

Other league tilts listed tonight include Carlisle at Hershey and Hanover at Middletown.

The lone home game on Adams County soil tonight will be staged at McSherrystown where the Delone Squires play host to Lancaster Catholic in a Central Penn Catholic League affair.

Lancaster promises to be a tough opponent for the Squires who have a 2-1 record. The kickoff will be at 8 o'clock.

## Second Sellout Is Reported At State

UNIVERSITY PARK, Pa. (AP)—Penn State's football team today had its second ticket sellout of the 1955 season—the Nov. 19 clash against the University of Pittsburgh at Beaver Field.

Earlier, the university announced a pre-season sellout of 30,000 tickets for the Navy game Oct. 15. The sellouts are the first in Penn State history.

## Bullets Meet Power-Laden Bisons In Hershey Stadium Saturday; Kickoff At 8:30

## GASTLEY LEADS DELONE TO WIN OVER JR. HIGH

Gettysburg and Delone Junior Highs inaugurated the 1955 football season when they clashed on the McSherrystown gridiron Thursday evening with the Junior Squires taking full advantage of the running ability of John Gastley to swamp the little Warriors 27-7.

Gastley, who broke into the sports news last winter by outscoring every opponent of the local archaic grade school basketball schedule, scored four touchdowns and three extra points to account for all of Delone's 27 points. Besides scoring Gastley picked up a total of 169 yards rushing. After kicking off five times he made three of the opening tackles. On Delone's only punt of the game Gastley booted the ball 42 yards before a Gettysburg player could get near it.

After four minutes of the first period, the little Squires scored their initial touchdown. Delone had possession of the ball on their own 25. The Squires tried two unsuccessful line plays before Gastley skirted right end for 73 yards and the first tally. His plunge for the extra point was good and the Squires led 7-0 at the end of the first period.

Earlier, the university announced a pre-season sellout of 30,000 tickets for the Navy game Oct. 15. The sellouts are the first in Penn State history.

A near-capacity crowd is expected to pour into the Hershey Stadium Saturday evening for the eighth annual Chocolate Bowl football game which will pit the Gettysburg College Bullets against the Thundering Herd of Bucknell. The game, which starts at 8:30 o'clock, is being sponsored by the Harrisburg Rotary Club for the benefit of the Rotary Foundation.

The advance sale of tickets locally has indicated the Bullets will have a strong backing when they make their season debut. Heading the delegation will be the Gettysburg College band of more than 50 members, attired in new blue uniforms with orange braiding. Miss Dawn Bauer, a freshman who holds many baton twirling titles, will lead the baton twirlers.

In the pink of condition as the result of four weeks of hard drilling, the Bullets are primed to give the Bisons a battle all the way.

Last Saturday night the Bullet coaching staff watched Bucknell defeat Albright 25-14 and were impressed with the typical running power of the Bisons.

Claims Best Backfield Harry Lawrence, Bison coach, recently tabbed his veteran backfield quartet as "the best backfield in the state. They can run, run hard." Included in the group, which averages about 190 pounds, are Ron Hendricks, Bob Sierier, Dick McCartney and Bob Ford.

The top concern of Coach Lawrence has been moulding an entire new forward line, all seven regulars from last season having been lost due to graduation. His underclassmen performed well against Albright last week and another powerhouse Bucknell squad appears in the making.

Gettysburg's overall depth may offset somewhat the advantage of Bucknell in having played a game.

Bullet Starters The Bullets are particularly fortunate in having a flock of capable backs. Starts will include Frank Gagliardi, quarterback, piloting the team for his third straight year; Bruce Pieper and Dave Lichtenfeld, halfbacks, and Bill Morro, fullback. Backing them up and certain to see plenty of duty are Jim Soltesz, Mike Duka, Ernie Paliszewski, Frank Capitani, Bob Lebo and Charles Heverly.

Up front Coach Yovicsin has nominated Fred Alleva and Dick Lewandowski, ends; Barry DeSantick and Frank Eckert, tackles; Barry Attig and Jerry Harrell, guards, and Sheldon Yingst, center, as starters.

Among the first line replacements on the forward wall will be Bill Ward and Art Hendley, ends; Al Kempton and Charley Dolphin, tackles; Don Harman and Joe Robinski, guards; Dave Graybill, center.

Of the starters, nine are seniors and two are juniors—Harrell and Lichtenfeld.

Looms As Toughest Last year the Bison ran over the Bullets 29-0 at Lewisburg and the Orange and Blue men are bent on avenging that setback.

From every angle, Saturday's game shapes up as the toughest on the Bullet program.

The game will mark the 40th Center: Staub.

## GHS RESERVES TAKE OPENING CONTEST 19-0

Outplaying their opponents the whole way, the Gettysburg High School junior varsity football team opened its season by trouncing the Waynesboro Jayvees 19-0 here Thursday afternoon.

Kenny Keefe, Gettysburg back, accounted for a pair of touchdowns, his first coming in the second period when he streaked around end and scampered 60 yards. Keefe had another 60-yard dash called back due to a Gettysburg penalty.

His second score came midway in the third period as he plunged over from the 2-yard line to climax a Warrior drive.

Dick Pyle added the third six-pointer in the final quarter on a quarterback sneak from the 1. Rex Baltzley added the extra point on a line plunge. A pair of passes fell incomplete in point tries following Keefe's tallies.

The entire local outfit put up a nice game with Keefe's running being outstanding. Waynesboro never made a serious scoring threat.

Coach Don Bickel will take his charges to Bolling Springs for a game Monday afternoon.

The lineups: Gettysburg Ends—Becker, Wheeler, Thomas, G. Keefe.

Tackles—Eckert, Fissel. Guards—Heffner, Poole, James. Center—Staley.

Backs—Pyle, Kitzmiller, Sauter, Washington, Mummert, K. Keefe, Baltzley and Crouse.

Waynesboro Ends—Sell, Smith. Tackles—Conrad, Kint. Guards—Bowders, Benchoff. Center—Rudy.

Backs—C. Freshman, Haugh, D. Freshman, Shenk.

Score by periods: Gettysburg 0 6 6 7—19 Waynesboro 0 0 0 0—0

Touchdowns—K. Keefe, 2; Pyle, 1. PAT—Baltzley, plunge.

Mrs. H. J. Flippin Wins Golf Tourney

RYE, N.Y. (AP)—Mrs. Harrison J. Flippin, Ardmore, Pa., shot a 36-hole total of 150 to win the 39th United States Senior Women's Golf Assn. championship yesterday.

Mrs. Flippin scored a record 76 in the first round and an 83 yesterday to win the match on the 5,805-yard course, par 73. Mrs. Flippin is the former Edith Quier and was an outstanding golfer in the eastern area 70 years ago.

Mrs. J. S. Brown, Sewickley, Pa., was runner-up with 83-82-163.

Tourney leaders included Mrs. H. T. Nicolson, Yorklyn, Pa., 83-89-172; Mrs. R. F. Beard, Gladwyne, Pa., 89-88-177, and Mrs. H. A. Waterworth, Haverford, Pa., 86-93-179. The age of eligibility is 50 years and over.

**FIFTEEN YEARS AGO**  
Dr. Wentz Has Filled Many Major Lutheran Positions: Dr. Abdel Ross Wentz, installed today as new president of the Gettysburg Lutheran Theological seminary, has served his church in many official capacities. High positions in his denomination and as representative of religious groups in this nation and internationally have made it necessary for him to go abroad often. He has crossed the Atlantic 12 times in the interest of religious study and world church work and two years ago went around the world visiting mission stations in addition to attending a world conference at Madras, India.

Besides his official duties with many church and denominational boards and his work at the seminary where he has been professor of church history since 1916, he has filled many of the larger pulpits of the east as supply between regular pastors. Although he has never been a pastor in full congregation he probably has preached more sermons per year than the average pastor.

Dr. Wentz was born of Pennsylvania Dutch parents in the southern part of York county and was reared in northern Carroll county in Maryland.

Dr. Wentz Seventh Seminary President: Today the Gettysburg Lutheran Theological seminary inaugurated its seventh president in 115 years; laid the cornerstone for the \$125,000 chapel to be dedicated next September and then installed a new member of the faculty to complete one of the most memorable days in the long history of the institution.

Before several hundred official ecclesiastical and academic delegates of Lutheran church organizations and boards, other denominations, and world-wide religious bodies as well as representatives of colleges and universities in many sections of the nation, Dr. Abdel Ross Wentz, Maryland synod professor of church history at the seminary since 1916 and an alumnus of the institution, was inaugurated at exercises beginning at 9 o'clock this morning in Christ Lutheran church.

**THE LITTLE WANT ADS**  
A newspaper without its Little Want Ads has a narrow soul. From time to time I had a lot of fun going through a junk shop at Halloway, Nova Scotia, where I purchased many an odd item for my summer island retreat. I was intrigued by the time made famous by the owner. From a needle to an anchor, well, that is now a thing of the past. And so are the Little Want Ads in an up and coming newspaper. It's a regrettable thing, for almost everything under the sun!

Study a sample page of Want Ads in your newspaper and you will find a lot of things that you never knew about before. Humor, romance and even sorrow are displayed there. Many a business has been started from the use of these ads. Some men, some women, some second-hand attitudes and what have you and what do you want? They are all displayed in these Little Want Ads. They are busy business people. Love something? They will find it for you. Want to rent an apartment, sell or buy a farm or home? They will get quick action — and at such a small cost!

Many a business has been built from the use of these busy people and opportunity hunters. Advertisers select the Want Ad newspapers to display their offerings, especially the national advertisers. Besides, the Want Ad pages team with human interest and business news. They help to make a complete newspaper.

The present president of General Motors got a job by using one of these Want Ads that finally gave him the opportunity to join this great corporation. My first job, after graduating from college, was gained from one of these Want Ads in a Chicago newspaper, and when I went into a business of my own I got all my help from Want Ads. It's the Little Want Ads that keep a progressive newspaper alive!

Tomorrow Mr. Adams will talk on the subject: "My Favorite Season"

**AGE**  
Age is what all hope to reach. Wished for loved one and for friend;  
Theme of many a gracious speech As man nears the journey's end. Still, when it has come, it's said, Age is timid; youth is bold;  
For the tasks that lie ahead, Pass him by, for he's too old.  
I would say a word for Age. Wisdom often it supplies. Makes of many a man a sage, Puts a twinkle in the eyes.  
This wish from year to year, Though to friends it's never told: May you live until you hear, "Step aside, You're much too old."

**Age is not of counted years.**  
Nor the head turned silver gray. If the spirit young appears Youthful heart and mind will stay. Time may weary them with strife, But for friends this thought I hold:  
For the tasks and joys of life May they never be too old.

Officer Culp reported to Chief of Police Glenn Guse he shot one of the two thugs in the leg as they rushed him in the semi-darkness of the alley. After beating him down with heavy blows on the head with a two-foot pinch

**HEART EXPERT WOULDN'T RUN IF HE WERE IKE**

**NEW YORK, P. M.**—Paul D. White, noted Boston heart specialist who attended President Eisenhower, said today that he would not run for a second term if he believed it would be possible for the President to serve a second term in view of his recent heart attack.

Dr. White, 60, said that "Mr. Eisenhower is a man who has been so busy that he has not had time to get his heart completely recovered. If I were in his shoes I would not want to take the chance of having seen the strain."

The doctor added that it is not to be seen how active or inactive a man is. However, he said all signs were very encouraging and that the President's morale was good.

"I talked at some length with the President last Monday," Dr. White said. "I told him just what the situation was as we see it medically."

**"Excellent Patient"**  
"He took all this in and I'm sure he'll be an excellent patient," Dr. White said.

The internationally famous physician expressed the view that it will be a good thing to permit Eisenhower to finish a couple of documents as planned tomorrow.

"It seemed wise to allow him to do it," said Dr. White. "It is good for his morale. It involves no extra work and no worry. The extra job will do no harm in my view."

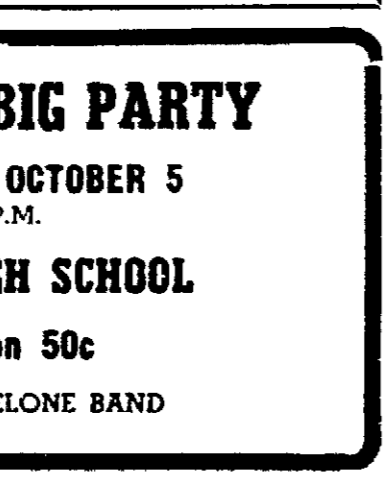

He continued: "Very few complications occur after the second week."

**FAVOR NEW RUN FOR ALLEGHENY**

**ERIE, Pa., P. M.**—Maj. Gen. Anthony J. Drexel Biddle, chairman of the Pennsylvania Aeronautical Commission, was on record today in favor of granting Allegheny airlines the right to establish service from Erie to Buffalo and Detroit.

The Civil Aeronautics Board opened a three-day hearing yesterday on the competing applications of four airlines.

Gen. Biddle declared: "As the case appears to us, the Allegheny application, if granted, would, in addition to benefiting Erie, benefit certain other communities on the Allegheny system by providing their first one-plane service to Detroit via Erie."

He said the Pennsylvania cities affected would be Bellefonte, Clearfield, Philipsburg, State College, Bradford, Franklin, Oil City, Harrisburg, Lancaster, Warren, Wilkes-Barre, Scranton and Williamsport.

Claude B. Friday, director of the Bureau of Aviation of the New York State Department of Commerce, urged that Mohawk Airlines be permitted to operate to Buffalo and Detroit via Erie. He said such permission would aid the economic development of the New York area bordering on Pennsylvania, known as the Southern Tier.

Lake Central Airlines of Columbus, Ohio, and North Central Airlines also want to link Erie with Buffalo and Detroit.

Porter Tuck, 22-year-old apprentice bulldogfighter known as the "Boston Blond," is gored, top, by a 500-pound bull in view of about 15,000 spectators at Valencia, Spain, Sept. 25. In photo at bottom, Tuck lies on ground as assistant draws off bull. Tuck, from Boston, was tossed about 12 feet into the air and was further gored as he lay on the ground. He suffered a ten-inch-deep wound which had torn his lung and touched his liver. He also suffered a broken rib and his condition was described as grave.

**Series Highlights**

**By ED CORRIGAN**  
**BROOKLYN, P. M.**—Who's the big man on the New York Yankees? Why, Yogi Berra. If you want to accept the opinion of Brooklyn shortstop Pee Wee Reese.

"He's the ball club," Reese said. "He makes it. He's trying to beat you in a million ways and he does it too."

"He even tries to talk you out of the ball game. I told him before yesterday's game, 'Don't open your big mouth to me, you little so-and-so. Just let me alone.'"

"You get up to the plate and Yogi will say: 'Gee, it's kinda hard to see the ball today, ain't it?' He's trying to plant that idea in your head, so maybe you'll really think it's hard to see the ball."

Hank Bauer pulled a thigh muscle in yesterday's 4-2 victory over the Dodgers and had to retire in the third inning. He was a sad ex-Marine indeed.

"It's something like Mickey Mantle's leg injury," he said. "I tested all night and applied ice packs."

Without Bauer in the lineup, the Yankees would be short two thirds of their regular outfield.

Even Irv Noren, the third member of the regulars, has a swollen and painful right knee.

"I really belong in the hospital," said Irv. "But I'm not even going to think of it until after the series and the sooner it ends the happier I'm going to be."

Before he was forced to retire, Bauer amused himself kidding Dodger right fielder Carl Furillo, who has been complaining about a cold.

"Please stay out of right field," cracked Bauer. "You've got the place full of germs."

Carl Erskine, who set a series record by striking out 14 Yankees in one game in the '53 series, has been ailing, which explains why he didn't get the No. 3 assignment.

"Carl is not yet 100 per cent," explained Alston. "So I know I can get only one game out of him. I can use others in the early games and have them come back later."

Most of the Brook regulars think Erskine has more stuff than any member of the pitching staff.

**Specialists Now Scoff At Old Beliefs About Caring For Heart; Golf Not Cause**

**By ALTON L. BLAKESLEE**  
**AP Science Reporter**  
**NEW YORK, P. M.**—How can you best care for your heart to minimize your chance of a heart attack?

Living a full active, good and sensible life may be a main rule. No experts can lay down sure, hard-and-fast rules. Not enough is yet known about the fundamental cause of the heart attack process.

But they do have tips. And some authorities are finding good reasons to doubt many of the beliefs most of us hold about heart attacks. Beliefs such as these:

That exercise is bad, after 40 you should slow way down. That tense business executives are most likely to sudden death from heart seizures.

That most heart attacks follow exertion — golf, tennis, shoveling snow, the dramatic incidents you read or hear about. Instead half or all attacks appear to come during sleep and resting.

**Differences Of Opinion**  
That we should blindly follow the advice to "take it easy" to avoid heart attacks.

That playing golf on Friday had anything to do with President Eisenhower's heart attack the next day.

You can easily find differences of opinion among heart experts. Here are some of the challenging newer viewpoints.

Dr. Paul D. White, famous Boston heart specialist who attended Eisenhower:

Speaking of Ike's golfing: "My own feeling is that golf has been often wrongly blamed, that those who play golf and have an attack at 65 might have had an attack at 45 if they hadn't played golf. We don't think that exercise itself is responsible."

**Golf Delayed Onset**  
"In fact, I am of the impression that it really helped to delay the onset of this attack than to cause it. Of course, very severe accidents or strains may have a precipitating effect, but they aren't the fundamental cause, and we are still studying the question of cause."

Aggravating factors may include excessive, prolonged nervous tension, excessive overweight, excessive tobacco. As positive measures, he mentioned "conscious effort to acquire equanimity, habits of relaxation and repose, and a program of health exercise."

Dr. Arthur M. Master, well-known New York City cardiologist:

**"Be Your Age"**  
As tips: Be your age. If you're 64, don't act 44. Avoid obesity. Avoid excessive smoking and drinking. Avoid infections, and if you get them, knock them out with wise drug treatments. Be physically active after 40, take less strenuous exercise, but don't choose inactivity.

Studying 1,700 persons who had coronaries, Dr. Master and his associates found 32 per cent of attacks came while these people were sleeping or resting; 21 per cent at ordinary mild activity; 9 per cent in moderate activity, except for walking; 16 per cent in walking, only 2 per cent during unusual or severe exertion. They concluded severe effort couldn't be much pinpointed as a cause of the timing of an attack.

**Most Manual Laborers**  
As for occupation, the analysis showed attacks occurring "with equal frequency in all types of occupations and all types of society." Among 1,200 victims questioned, 36 per cent were manual workers and day laborers, 11 per cent businessmen, 8 1/2 per cent professional people — percentages paralleling the occupational distribution of the general population of New York.

Thus, "occupation, whether strenuous or not, did not play a role in coronary occlusion."

Other physicians report fear and anxiety can lead a person to focus attention upon his heart, inducing "anxiety heart disease" — nothing wrong, but the person thinks there is. One estimate is that half the persons who go to see heart specialists really have anxiety heart disease.

A up would seem to be: Get a checkup if you're worried, or if you have any signs that might indicate heart trouble of any kind. Get the facts, not your guesses.

Further, nobody knocks the idea of getting enough sleep and taking sensible care of yourself, being moderate, trying to be relaxed.

## MOVIE STARS MODEL ROLES FOR PAINTER

By W. G. ROGERS  
Associated Press Arts Editor  
NEW YORK (AP) — Deborah Kerr, Claudette Colbert, Syd Charisse, Louis Calhern — these people from Hollywood pictures are all in some pictures recently on view in New York.

They are not moving pictures, but oil paintings.

You may have to look hard, however, to spot these celebrities. These are not portraits. They are idealizations of Shakespearean characters with the real-life film-land personages serving as models in the preliminary stages of the works.

The artist is M. Svet. How can she get the famous to pose for her? They are her friends, for M. Svet is the wife of Dore Schary, moving picture producer and writer, and boss of M-G-M.

Among other Schary household familiars to be seen in the show of two dozen pictures at the Associated American Artists Galleries are the two young Schary daughters, the maid, the butler's wife. In one oil there's a Mahonri Young sculpture from the Schary collection; and there's a glimpse of a studio corner.

Before she ventured her own interpretations of Shakespeare's people, Mrs. Schary explained, she re-read the plays, looked up the dramatist's own source material, and consulted the Freudians. In her paintings, soundly within the academic tradition, she sees Hamlet as a sweet and fragile person; and believing that Shakespeare never saw a real Moor, she resorts to her own notion of his notion.

Born in Newark, N. J., in a family of musicians, Mrs. Schary played the piano, but turned early

to art, and studied for six years at the National Academy of Design and the Art Students League here. Her three children didn't leave her much time for work at the easel, but for 14 years now she has been at it again, giving five full days a week to art. This is her second New York show.

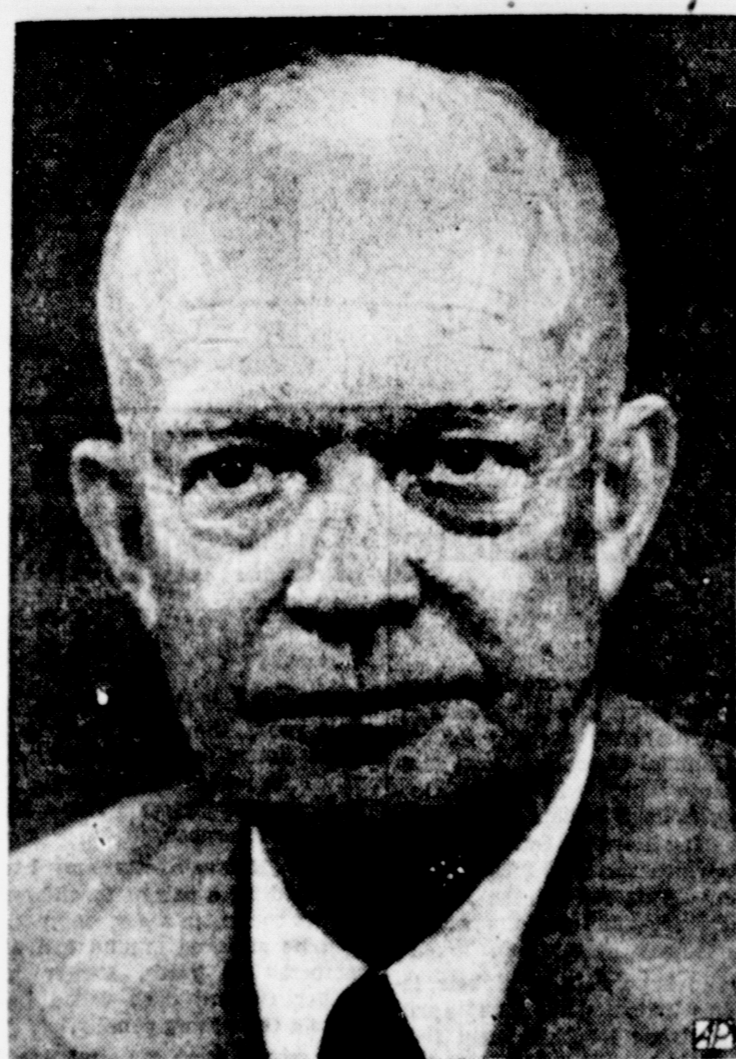

**Records**  
Recent high spots, or loud spots, in recording releases include in particular two operas, one old, one new, one merry and full of laughter, one tragic and brimming with tears.

The new work, Gian-Carlo Menotti's "The Saint of Bleeker Street," is a timely issue, for it has won a second Pulitzer for the Italian-born composer.

Except for two short cuts, "The Saint" is a complete re-do of the work that played this winter on Broadway. "Musical drama," as it is called by the author of both in words and music, it takes two full records in the RCA-Victor album. Principal roles are: Assunta, played by Catherine Akos; Carmela, by Maria di Gerlando; Maria Corona, Maria Mario; Don Marco, Leon Lishner; Annina, Gabrielle Ruggiero; Michele, David Poleri; Desideria, Gloria Lane; and Salvatore, David Aiken. Thomas Schippers conducts.

This is a first-rate recording of a work which perhaps marks a pause in the phenomenal development of Menotti's talent. The plot is the conflict of belief and doubt of Thomas — doubting Michele. The listener is always interested, and sometimes gripped and stirred. It is true, however, that earlier Menotti works, for instance, "Conquero" or "Medium," have been gripping and tense in every passage, all the way; and I sometimes wonder whether his music here carries the full emotional and ethical substance of his great theme.

**Rossini Opera**  
The other opera, by an older master, is Rossini's "La Cenerentola." As played by the New York Opera company, it is the funniest and most hilarious work on the operatic stage, bar none.

**REPORT TO THE NATION** — This picture of the President was made last July as he prepared to address the nation by radio and TV before leaving for Big Four conference.

This is a Glyndebourne Festival production, and again RCA-Victor. Few of the singers are known here — Alda Noni and Fernanda Cadoni as the wicked sisters, Marina de Gaborian as Cinderella; Hervey Alan as Alidoro; and Ian Wallace, Juan Oncina and Seato Brusentini, Vittorio Gui conducts. You'll love every minute of it.

## LEGLESS EX-COP CLEANS HOUSE, CARES FOR WIFE

PROVIDENCE, R. I. (AP) — As a police sergeant, John F. Canning, 54, always got things done. Although he has lost both legs at the knee in 19 operations, he still gets things done for himself and his almost completely paralyzed wife, Emma.

Canning's home is as well cared for as if he had a staff of servants. And Emma blossoms under his care as if she had the best professional nursing.

Canning hurt his shins while on duty. He applies a little iodine and forgot them; there was infection, however, and the long series of operations followed. He had just got adjusted to getting along without legs when Emma slumped to the floor with a cerebral hemorrhage two years ago. She has been paralyzed since and has a bad heart.

A day in the Canning cottage goes like this:

He arises early and gives Emma bed care, then wheels himself to the kitchen and prepares breakfast. His muffs could pose for a floor advertisement.

**Puts On Legs**  
After breakfast, Canning puts on artificial legs. He lifts Emma from bed and puts her in a wheelchair. Then he operates the vacuum cleaner from his own wheelchair and there isn't a speck of dust when he is through.

Having an invalid in the family makes for a large wash. Canning hangs the clothes on a pulley line from a rear window.

After Emma has lunch Canning gets in the family car and does the marketing. But he still has time to spare so he is breeding parakeets and making cages for them.

He also makes visits to hospitals — to amputees who might

## TEACHER DRIVES SCHOOL'S BUS

IDAHO SPRINGS, Colo. (AP) — A 41-year-old schoolmarm took over when the uranium boom enticed away the regular driver of a school bus serving this mountain area.

After a week's practice, she is wheeling the loaded bus over precarious roads clinging to the sides of the towering Rocky Mountains.

Mrs. Kathryn Griesel, slight, dark-eyed widow and mother of two children in their teens, is not native to the mountain terrain. She came here from Indiana on vacation and liked the area so well she stayed to teach school to first graders in Idaho Springs.

Recently the regular driver joined the uranium hunt spreading across the state from the rich plateau area of Colorado and Utah. There was no way to get the 30 children over the 36 miles

feel sorry for themselves. "I give them hell and blast them out of their beds," said Canning.

## DUNKARDS DISCHARGED

MANILA (AP) — The Philippine Army is going to kick out habitual drunkards.

Lt. Gen. Jesus Vargas, chief of staff, in a directive said drunken soldiers have been giving the army a bad name by eating in restaurants and riding in public vehicles and refusing to pay.

## Sunday School Lesson

By Rev. Dr. Howard R. and Margaret C. Gold

### BIRTH OF JESUS

Luke 2:1-14

Key Verse: Be not afraid; for behold, I bring you good news of a great joy which will come to all people. Luke 2:10.

We have been accustomed to associate Luke as the faithful companion of St. Paul — the one who journeyed with him, ministered to his physical wants, and remained with him to the end. His life was linked so closely with St. Paul that the beloved physician, as Luke was called, learned to know the beauty and perfection of Jesus Christ.

Little wonder, then, that this man of culture, a Greek by birth, concentrated on writing a true life portrait of Jesus, with particular emphasis on the human aspects of Jesus' ministry. Luke's Gospel records Jesus' attitude toward the suffering, the outcasts, strangers and foreigners. It is written in an

orderly, literary style, showing that its author was a scholar of the Greek classics. This Gospel has been called "the most beautiful book ever written." Luke depicts Jesus as the Son of Man, recording more of the parables than any of the other Gospel writers. This Gospel is the first part of a two-volume record of Christian beginnings, the Book of Acts being the second part. Likely the preface to the Gospel (Luke 1:1-4) was intended for the whole work.

The Gospel of Luke was written about 60 A.D. while Paul was a prisoner in Caesarea, and Acts was written during Paul's imprisonment in Rome. At Caesarea Luke had opportunity to get firsthand accounts from several of Jesus' original disciples — the first founders of the Christian Church. The study for this quarter, therefore, is "Luke's Story of Our Lord" and its first lesson is about the

birth of our Lord and Saviour. Luke's record of the Nativity is given here in its historical and literary setting, and the spiritual significance of Jesus' birth is reserved for the lesson for Christmas Sunday.

Luke was not primarily concerned with the historical accuracy of the time of Jesus' birth, but set it during the first term of Quirinius, Roman governor of Syria when Augustus Caesar decreed that "the whole world should be enrolled." Each man was required to enroll in his own city or town, so Joseph took Mary and travelled from Nazareth to Bethlehem because "he was of the house and lineage of David." The journey was long and hard, especially for Mary, and when they reached Bethlehem there was no room for them in the inn. Consequently, they had to find shelter in the courtyard of the inn. There the Child Jesus was born and laid in a manger.

This event, which later revolutionized the Roman world, almost passed unnoticed. The only ones aware of it were the shepherds in the fields nearby who heard the good news in a most spectacular heavenly proclamation. God chose

to announce the birth of His Son to the humble shepherds, because He believed that they possessed a spiritual sensitivity — a quality lacking in the official religious leaders of that day. The appearance of an angel, the glory of the heavens, the multitude of the heavenly host who joined the angel singing "glory to God in the highest," was an awe-inspiring experience. No wonder the shepherds were filled with fear! But they did remember the "sign" the angel gave about the Holy Babe lying in a manger with swaddling clothes.

There is a significance in the simple, pastoral narrative both as to the principals in the nativity scene — Joseph, Mary, the shepherds — and the timing of the birth. The principals were all of the simple, peasant class who had maintained their hope of a coming Messiah, and "there is dramatic appropriateness in associating the birth of Jesus with the enrollment of 'all the world.'" Everything that occurred was perfectly natural: the crowded inn, Joseph and Mary finding refuge in the stable, the shepherds tending their flocks by night. The Gloria in Ex-

celts as sung that first Christmas night did not promise peace in the world, but rather peace in the hearts of believing souls.

Every part of the Nativity story suggests lessons: crowding Christ out of our lives because there is "no room" for Him; the simplicity of the event as compared to the lavish Christmas celebrations today; the perversion of the true Christmas spirit and its holiness into an occasion for commercialism or social revelry.

## WHAT SHALL I BE ?

"What shall I be when I grow up? What is life all about? Is there a God?"

Johnny is seeking. He wants to mold the future. He wants to know what to make of his life.

In later years, if Johnny hasn't found the answers, he will stop asking. He will be too concerned with the present to look to the future. He will be busy supporting a family, getting a new car, meeting unexpected sickness, trying to keep up with the Joneses.

So Johnny will start drifting. He will be carried away by the problems and anxieties of the grown-up world. He will be swept along in the stream of life without aims or purposes.

Help your Johnny to find the answers to his seeking. Take your child to Sunday School and Church this Sunday. Help him find the truth and certainty and faith to shape a great life.

### THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

## BIRTH OF JESUS

Luke 2:1-14

Key Verse: Be not afraid; for behold, I bring you good news of a great joy which will come to all people. Luke 2:10.

We have been accustomed to associate Luke as the faithful companion of St. Paul — the one who journeyed with him, ministered to his physical wants, and remained with him to the end. His life was linked so closely with St. Paul that the beloved physician, as Luke was called, learned to know the beauty and perfection of Jesus Christ.

Little wonder, then, that this man of culture, a Greek by birth, concentrated on writing a true life-portrait of Jesus, with particular emphasis on the human aspects of Jesus' ministry. Luke's Gospel records Jesus' attitude toward the suffering, the outcasts, strangers and foreigners. It is written in an

orderly, literary style, showing that its author was a scholar of the Greek classics. This Gospel has been called "the most beautiful book ever written." Luke depicts Jesus as the Son of Man, recording more of the parables than any of the other Gospel writers. This Gospel is the first part of a two-volume record of Christian beginnings, the Book of Acts being the second part. Likely the preface to the Gospel (Luke 1:1-4) was intended for the whole world.

The Gospel of Luke was written about 60 A.D. while Paul was a prisoner in Caesarea, and Acts was written during Paul's imprisonment in Rome. At Caesarea Luke had opportunity to get firsthand accounts from several of Jesus' original disciples — the first founders of the Christian Church. The study for this quarter, therefore, is "Luke's Story of Our Lord" and its first lesson is about the

birth of our Lord and Saviour. Luke's record of the Nativity is given here in its historical and literary setting, and the spiritual significance of Jesus' birth is reserved for the lesson for Christmas Sunday.

Luke was not primarily concerned with the historical accuracy of the time of Jesus' birth, but set it during the first term of Quirinius, Roman governor of Syria when Augustus Caesar decreed that "the whole world should be enrolled." Each man was required to enroll in his own city or town, so Joseph took Mary and travelled from Nazareth to Bethlehem because "he was of the house and lineage of David." The journey was long and hard, especially for Mary, and when they reached Bethlehem there was no room for them in the inn. Consequently, they had to find shelter in the courtyard of the inn. There the Child Jesus was born and laid in a manger.

This event, which later revolutionized the Roman world, almost passed unnoticed. The only ones aware of it were the shepherds in the fields nearby who heard the good news in a most spectacular heavenly proclamation. God chose

to announce the birth of His Son to the humble shepherds because He believed that they possessed a spiritual sensitivity — a quality lacking in the official religious leaders of that day. The appearance of an angel, the glory of the heavens, the multitude of the heavenly host who joined the angel singing "glory to God in the highest," was an awe-inspiring experience. No wonder the shepherds were filled with fear! But they did remember the "sign" the angel gave about the Holy Babe lying in a manger with swaddling clothes.

There is a significance in the simple, pastoral narrative both as to the principals in the nativity scene — Joseph, Mary, the shepherds — and the timing of the birth. The principals were all of the simple, peasant class who had maintained their hope of a coming Messiah, and "there is dramatic appropriateness in associating the birth of Jesus with the enrollment of 'all the world.'" Everything that occurred was perfectly natural: the crowded inn, Joseph and Mary finding refuge in the stable, the shepherds tending their flocks by night. The Gloria in Ex-

cels as sung that first Christmas night did not promise peace in the world, but rather peace in the hearts of believing souls. Every part of the Nativity story suggests lessons: crowding Christ out of our lives because there is "no room" for Him; the simplicity of the event as compared to the lavish Christmas celebrations today; the perversion of the true Christmas spirit and its holiness into an occasion for commercialism or social revelry.

# WHAT SHALL I BE ?

"What shall I be when I grow up? What is life all about? Is there a God?"

Johnny is seeking. He wants to mold the future. He wants to know what to make of his life.

In later years, if Johnny hasn't found the answers, he will stop asking. He will be too concerned with the present to look to the future. He will be busy supporting a family, getting a new car, meeting unexpected sickness, trying to keep up with the Joneses.

So Johnny will start drifting. He will be carried away by the problems and anxieties of the grown-up world. He will be swept along in the stream of life without aims or purposes.

Help your Johnny to find the answers to his seeking. Take your child to Sunday School and Church this Sunday. Help him find the truth and certainty and faith to shape a great life.

# THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship. It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

# MOVIE STARS MODEL ROLES FOR PAINTER

By W. G. ROGERS  
Associated Press Arts Editor  
NEW YORK (AP) — Deborah Kerr, Claudette Colbert, Syd Charisse, Louis Calhern — these people from Hollywood pictures are all in some pictures recently on view in New York.

They are not moving pictures, but oil paintings.

You may have to look hard, however, to spot these celebrities. These are not portraits. They are idealizations of Shakespearean characters with the real-life film-land personages serving as models in the preliminary stages of the works.

The artist is M. Svet. How can she get the famous to pose for her? She has her friends, for M. Svet is the wife of Dore Schary, moving picture producer and writer, and boss of M-G-M.

Among other Schary household familiars to be seen in the show of two dozen pictures at the Associated American Artists Galleries are the young Schary daughters, the maid, the butler's wife. In one oil there's a Mahonri Young sculpture from the Schary collection; and there's a glimpse of a studio corner.

Before she ventured her own interpretations of Shakespeare's people, Mrs. Schary explained, she reread the plays, looked up the dramatist's own source material, and consulted the Freudians. In her paintings, soundly within the academic tradition, she sees Hamlet as a 19 or 20 years old. Portia as a sweet and fragile person; and believing the Shakespeare never saw a real Moor, she resorts to her own notion of his notion.

Born in Newark, N. J., in a family of musicians, Mrs. Schary played the piano, but turned early

to art, and studied for six years at the National Academy of Design and the Art Students League here. Her three children didn't leave her much time for work at the easel, but for 14 years now she has been at it again, giving five full days a week to art. This is her second New York show.

**Records**  
Recent high spots, or loud spots, in recording releases include in particular two operas, one old, one new, one merry and full of laughter, one tragic and brimming with tears.

The new work, Gian-Carlo Menotti's "The Saint of Bleecker Street," is a timely issue, for it has won a second Pulitzer for the Italian-born composer.

Except for two short cuts, "The Saint" is a complete redo of the work that played this winter on Broadway. "Musical drama," as it is called by the author of both words and music, it takes two full records in the RCA-Victor album. Principal roles are: Assunta, played by Catherine Kous, Carmela, by Maria di Gerlando; Maria Corona, Maria Mario; Don Marco, Leon Lishner; Annina, Gabrielle Ruggiero; Michele, David Poleri; Desideria, Gloria Lane; and Salvatore, David Aiken. Thomas Schippers conducts.

This is a first-rate recording of a work which perhaps marks a pause in the phenomenal development of Menotti's talent. The plot is the conflict of believer and doubt in Thomas — doubting Michele. The listener is always interested, and sometimes gripped and stirred. It is true, however, that earlier Menotti works, for instance, "Con-sul" or "Medium," have been gripping and tense in every passage, all the way; and I sometimes wonder whether his music here carries the full emotional and ethical substance of his great theme.

**Rossini Opera**  
The other opera, by an older master, is Rossini's "La Cenerentola." As played by the New York Opera company, it is the funniest and most hilarious work on the operatic stage, bar none.

**REPORT TO THE NATION** — This picture of the President was made last July as he prepared to address the nation by radio and TV before leaving for Big Four conference.

This is a Glyndebourne Festival production, and again RCA-Victor. Few of the singers are known here — Alda Noni and Fernanda Cadoni as the wicked sisters, Marina de Gabarian as Cinderella; Hervey Alan as Alidoro; and Ian Wallace, Juan Oncha and Sesto Bruscantini, Vittorio Gui conducts. You'll love every minute of it.

## AVOID MILDEW

Mildew stains are difficult to remove, so be sure to store clean fabrics dry. It's a good idea not to toss soiled items that are damp into the laundry bag in warm weather.

A rubber tile floor for the playroom can tone down the clatter of children's play. The flooring can be installed easily even by a do-it-yourself handyman. It is easy to remove spilled paint, glue and ink from the rubber.

# LEGLESS EX-COP CLEANS HOUSE, CARES FOR WIFE

PROVIDENCE, R. I. (AP) — As a police sergeant, John F. Canning, 54, always got things done. Although he has lost both legs at the knee in 19 operations, he still gets things done for himself and his almost completely paralyzed wife, Emma.

Canning's home is as well cared for as if he had a staff of servants. And Emma blossoms under his care as if she had the best professional nursing.

Canning hurt his shins while on duty. He applied a little iodine and forgot them; there was infection, however, and the long series of operations followed. He had just got adjusted to getting along without legs when Emma slumped to the floor with a cerebral hemorrhage two years ago. She has been paralyzed since and has a bad heart.

A day in the Canning cottage goes like this:  
He arises early and gives Emma bed care, then wheels himself to the kitchen and prepares breakfast. His muffins could pose for a flour advertisement.

## Puts On Legs

After breakfast, Canning puts on artificial legs. He lifts Emma from bed and puts her in a wheelchair. Then he operates the vacuum cleaner from his own wheelchair and there isn't a speck of dust when he is through.

Having an invalid in the family makes for a large wash. Canning hangs the clothes on a pulley line from a rear window.

After Emma has lunch Canning gets in the family car and does the marketing. But he still has time to spare so he is breeding parakeets and making cages for them.

He also makes visits to hospitals — to amputees who might

# TEACHER DRIVES SCHOOL'S BUS

IDAHO SPRINGS, Colo. (AP) — A 41-year-old schoolmarm took over when the uranium boom enticed away the regular driver of a school bus serving this mountain area.

After a week's practice, she is wheeling the loaded bus over precarious roads clinging to the sides of the towering Rocky Mountains. Mrs. Kathryn Griesel, slight, dark-eyed widow and mother of two children in their teens, is not naive to the mountain terrain. She came here from Indiana on vacation and liked the area so well she stayed to teach school to first graders in Idaho Springs.

Recently the regular driver joined the uranium hunt spreading across the state from the rich plateau area of Colorado and Utah. There was no way to get the 30 children over the 36 miles

feel sorry for themselves. "I give them hell and blast them out of their beds," said Canning.

of mountain trails into Idaho Springs for school.  
Mrs. Griesel, who rode the bus every day and knew the route but had never driven anything heavier than a car, volunteered to fill in. After a few trips with an instructor she got a special license and within a week was wheeling the big bus around hairpin curves like a veteran.

## Blocked By Blizzard

Only once has she failed to make the trip. That was when a howling blizzard blocked all mountain trails in the area. Several times, however, older students have had to help push the clumsy bus out of rough sections on the unimproved road through Beaverbrook Canyon from Pine Valley and other mountain settlements to Idaho Springs.

How do the children like a woman driver? Mrs. Griesel says she, at any rate, has no trouble with rowdiness.

"Besides being the driver," she notes, "I'm the teacher, and when I tell the boys and girls to mind — they'd better."

# SAYS LEADER'S INCOME TAX BILL HAS A "CHANCE"

By LEONARD A. UNGER  
HARRISBURG (AP) — Sen. Kessler (R-Lancaster) said today Gov. Leader's proposal for a graduated income tax has "a good chance" of passing the Republican-controlled Senate.

"I'm personally against it but there are enough Republican senators who feel that, because a referendum is involved, they could not oppose this," he said in an interview.

The Democratic-dominated House passed Tuesday with Republican help a proposed constitutional amendment which would permit a graduated income tax of up to 6 per cent and graduated inheritance levies with no ceiling.

Approval of this amendment by this Legislature would provide no immediate solution to the commonwealth's current tax impasse. The amendment would have to be passed a second time by the 1957 Legislature and receive final approval in a statewide referendum.

Kessler, chairman of the Senate Finance Committee, said he could not guess when the Senate would

take up the graduated income levy.

**Earmark All Revenue**  
As passed by the House, the constitutional amendment would earmark all revenue from the income and inheritance levies to education, public assistance and public health and welfare purposes.

Should it ever reach the ballot it would be the fourth time in the last 20 years. Various forms calling for graduated income levies were defeated three times.

The graduated income tax is a long-time Democratic objective as the long-range means of stabilizing the commonwealth's shaky tax structure. Republicans generally have been opposed to it.

The governor himself endorsed a graduated income tax as the final answer while plumping for his classified income tax. Senate Republicans killed that levy.

Meanwhile, Leader will join with Republican and Democratic legislative leaders next Monday and Tuesday in an effort to find a compromise to the commonwealth's tax impasse.

Only yesterday he signed 65 million dollars in appropriation bills to carry on ordinary state expenses for another two months pending an agreement on taxes. Fifteen millions of that figure is earmarked for public assistance.

Chances are Ken Lehman will stick with the Brooklyn Dodgers next season. He has been optioned to the minors three times, the limit, and has been the Montreal mound ace this season.

# SULTAN WILL QUIT FOR HEIR

RABAT, French Morocco (AP) — Embattled Sultan Mohammed Ben Moulay Arafat offered today to quit the Moroccan throne if he can turn his powers over to a member of his own family.

The first public break in the 74-year-old ruler's determination to keep the post the French gave him two years ago came after French Resident General Pierre Boyer de Latour du Moulin ordered the arrest of his chief aide, protocol chief Aber Rahman el Hajoui.

El Hajoui sped off in his white Cadillac before dawn toward Casablanca, two jeeps of police in hot pursuit. Boyer de Latour charged the protocol chief, a Europeanized man in his mid-30s, had exercised "inadmissible pressure" on the Sultan, who refused to quit.

Although Moulay Arafat attempted to put conditions on his long-expected departure, his troubled hold on the throne appeared to be drawing rapidly to an end.

French Premier Edgar Faure's government has promised Moroccan nationalists to remove the old man as the first step in a settlement to end the violence in the North African protectorate and give it some measure of self-rule.

Moulay Arafat has been the chief nationalist target since the French exiled his nephew, Sultan Mohammed Ben Youssef, and put the old man on the throne.

Moulay Arafat's offer to quit was contained in a letter to French President Rene Coty.

**Lists Conditions**  
French officials refused to disclose the letter's provisions but a reliable source said the Sultan listed these conditions for his retirement:

1. The French government would have to guarantee that Ben Youssef would not return to the throne.
2. The Sultan's powers would be delegated to a member of his own family, the Alaouite. This would destroy Premier Faure's plan for a three-man regency council on which Ben Youssef would be represented by Si Bekkal, former Pasha of Setrou. This plan has aroused strong opposition from French colonists and their friends

# CABINET MEETS WITHOUT IKE; FILL-IN LATER

By D. HAROLD OLIVER

WASHINGTON (AP) — President Eisenhower's Cabinet meets without him today for its first business session since he left Aug. 14 for Denver.

Vice President Nixon called the session to consider matters on which he had been briefed in advance. Although secret, they were expected to include budgetary and other departmental matters which Nixon has described as routine.

Some consideration was expected also of ways to reduce the President's workload when he is able to resume his normal duties after the heart attack which struck him Saturday.

The President is expected to be given a fill-in on today's meeting when he is able to discuss such matters with aides, just as he will be eventually on yesterday's 2 1/2-hour meeting of the National Security Council, over which Nixon also presided.

Sherman Adams, chief assistant to the President, arranged to fly to Denver after the Cabinet meeting to take charge of the White House offices at Lowry Air Force Base during the President's convalescence.

**"Smooth Operation"**  
Adams will decide what matters will be put before the President when he is strong enough. Adams has been busy conferring here with administration officials since hurrying home from a European vacation early this week.

Commenting on the Denver announcement that Adams would fly there today to take charge of staff work, Nixon told reporters yesterday.

# PS Commission Scans RR Passenger Case

ELMIRA, N. Y. (AP)—A state Public Service Commission examiner said the commission would reach a decision about Nov. 1 on the Pennsylvania Railroad's request to end passenger service between Elmira and Canadaigua.

At a hearing yesterday, C. F. Neu, a PRR transportation engineer, said the Canadaigua to Elmira run carried only one to three passengers a day.

The railroad also said it had applied for a Pennsylvania Public Utility Commission hearing for permission to end the train's run from Elmira to Williamsport, Pa. Neu said on that run the train carried only eight to 10 passengers a day.

Nixon told newsmen at the White House yesterday that neither the Cabinet nor the security council is a decision-making body but advise the chief executive on matters on which he makes the decisions.

He said any policy decisions in the future will be made by Eisenhower, just as they have in the past, and added:

"At the present time the policy decisions that have been made in foreign and economic fields are sufficiently clear and well defined that no changes in those policies are needed or contemplated in the near future."

# Air Training Center in Altoona Planned

WASHINGTON (AP) — An air reserve training center, costing between \$200,000 and \$300,000, will be built near Altoona, Pa., sometime next summer, Rep. Van Zandt (R-Pa.) disclosed yesterday.

He said the Pennsylvania State University undergraduate center of Altoona is making the land available for the center, to be headquarters for Altoona, Johnstown and DuBois air reserve units.

The center will have an overall strength of 400 officers and airmen, the congressman said.

# FREE WHEELING

# GAUGE ALL WET

A downpour promptly filled it to within an inch of the top.

# STAIN TIP

Spots on trouser legs and long skirts should be tackled at once by brushing off loose soil, then gently spotting the stain with soap and water. Do not press the spotted garment as the heat of the iron will make the stain permanent.

# CUSTOMERS TO GET \$500,000

SUNBURY, Pa. (AP)—The receiver for a Sunbury brokerage firm today had court approval to surrender nearly \$500,000 in securities to the company's customers.

At the same time, however, Judge William I. Troutman yesterday denied a request by James Kerwin, receiver for the J. H. Drass Co., Inc., for permission to surrender \$115,107 in cash balances.

The Northumberland County jurist said that "all claims against the company may not yet be in and we must hold this cash to assure ability to pay any later claims."

The company, with 300 active accounts, was placed in receivership by the court last Sept. 15 pending an inquiry into what the Pennsylvania Securities Commission termed a \$100,000 shortage in the firm's accounts.

Kerwin said it would take several days to set up machinery for surrendering the securities and "early next week we should be able to notify the customers they can soon expect the surrender."

best you ever tasted!  
**flame-cooking with a modern matchless gas range**

Experienced cooks will tell you—it's the slow-simmering that makes a stew, soup or sauce just right. And that's why modern women prefer flame-cooking. Because only with a visible Gas flame can they get exact heats instantly, without risking burning or boil-overs. Yes, instead of just 3, 5 or 7 heats—a Gas flame gives you a thousand and more to meet ALL the different temperatures recipes call for.

Appearance-wise, the new Matchless Gas Ranges couldn't be more modern! And they have all the modern automatic conveniences, too. Top burners, ovens and broilers all light automatically. And automatically-controlled ovens start and cook delicious dinners for you. And only flame-kissed broiling is smokeless.

What a selection! All these famous makers offer modern matchless GAS ranges.

# SAYS LEADER'S INCOME TAX BILL HAS A "CHANCE"

By LEONARD A. UNGER  
HARRISBURG (AP) — Sen. Kessler (R-Lancaster) said today Gov. Leader's proposal for a graduated income tax has "a good chance" of passing the Republican-controlled Senate.

"I'm personally against it but there are enough Republican senators who feel that, because a referendum is involved, they could not oppose this," he said in an interview.

The Democratic-dominated House passed Tuesday with Republican help a proposed constitutional amendment which would permit a graduated income tax of up to 6 per cent and graduated inheritance taxes with no ceiling.

Approval of this amendment by this Legislature would provide no immediate solution to the commonwealth's current tax impasse. The amendment would have to be passed a second time by the 1957 Legislature and receive final approval in a statewide referendum.

Kessler, chairman of the Senate Finance Committee, said he could not guess when the Senate would

take up the graduated income levy.

**Earmark All Revenue**  
As passed by the House, the constitutional amendment would earmark all revenue from the income and inheritance taxes to education, public assistance and public health and welfare purposes.

Should it ever reach the ballot it would be the fourth time in the last 20 years various forms culled for graduated income levies were defeated. Last time, the graduated income tax as a long-range means of stabilizing the commonwealth's shaky tax structure. Republicans generally have been opposed to it.

The governor himself endorsed a graduated income tax as the final answer while plumping for the classified income tax Senate Republicans killed that levy.

Meanwhile, Leader will join with Republican and Democratic legislative leaders next Monday and Tuesday in an effort to find a compromise to the commonwealth's tax impasse.

Only yesterday he signed 65 million dollars in appropriation bills to carry on ordinary state expenses for another two months pending an agreement on taxes. Fifteen millions of that figure is earmarked for public assistance.

Chances are Ken Lehman will stick with the Brooklin Dodgers next season. He has been optioned to the rinos a three times the limit and has been the Montreal mound ace this season.

# SULTAN WILL QUIT FOR HEIR

RABAT, French Morocco (AP) — Embattled Sultan Mohammed V. Moulay Arafat offered today to quit the Moroccan throne if he can turn his powers over to a member of his own family.

The first public break in the 74-year-old ruler's determination to keep the post the French gave him two years ago came after French Resident General Pierre Boyer de Latour du Moulin ordered the arrest of his chief aide, protocol chief Aber Rahman el Hajoul. El Hajoul sped off in his white Cadillac before dawn toward Casablanca, two jeeps of police in hot pursuit. Boyer de Latour charged the protocol chief, a Europeanized man in his mid-30s, had exercised "inadmissible pressure" on the Sultan, who refused to quit.

Although Moulay Arafat attempted to put conditions on his long-expected departure, his troubled hold on the throne appeared to be drawing rapidly to an end.

French Premier Edgar Faure's government has promised Moroccan nationalists to remove the old man as the first step in a settlement to end the violence in the North African protectorate and give it some measure of self-rule.

Moulay Arafat has been the chief nationalist target since the French exiled his nephew, Sultan Mohammed Ben Youssef, and put the old man on the throne.

Moulay Arafat's offer to quit was contained in a letter to French President Rene Coty.

**Lists Conditions**

French officials refused to disclose the letter's provisions but a reliable source said the Sultan listed these conditions for his retirement.

1. The French government would have to guarantee that Ben Youssef would not return to the throne.

2. The Sultan's powers would be delegated to a member of his own family, the Alaouite. This would destroy Premier Faure's plan for a three-man regency council on which Ben Youssef would be represented by Si Bekkal, former Pasha of Sefrou. This plan has aroused strong opposition from French colonists and their friends

# CABINET MEETS WITHOUT IKE; FILL-IN LATER

By D. HAROLD OLIVER  
WASHINGTON (AP) — President Eisenhower's Cabinet meets without him today for its first business session since he left Aug. 14 for Denver.

Vice President Nixon called the session to consider matters on which he had been briefed in advance. Although secret, they were expected to include budgetary and other departmental matters which Nixon has described as routine.

Some consideration was expected also of ways to reduce the President's workload when he is able to resume his normal duties after the heart attack which struck him Saturday.

The President is expected to be given a fill-in on today's meeting when he is able to discuss such matters with aides, just as he will be eventually on yesterday's 21-hour meeting of the National Security Council, over which Nixon also presided.

Sherman Adams, chief assistant to the President, arranged to fly to Denver after the Cabinet meeting to take charge of the White House offices at Lowry Air Force Base during the President's convalescence.

**"Smooth Operation"**

Adams will decide what matters will be put before the President when he is strong enough. Adams has been busy conferring here with administration officials since hurrying home from a European vacation early this week.

Commenting on the Denver announcement that Adams would fly there today to take charge of staff work, Nixon told reporters yesterday:

# PS Commission Scans RR Passenger Case

ELMIRA, N. Y. (AP)—A State Public Service Commission examiner said the commission would reach a decision about Nov. 1 on the Pennsylvania Railroad's request to end passenger service between Elmira and Canadagua.

At a hearing yesterday, C. F. Neu, a PRR transportation engineer, said the Canadagua to Elmira run carried only one to three passengers a day.

The railroad also said it had applied for a Pennsylvania Public Utility Commission hearing for permission to end the train's run from Elmira to Williamsport, Pa. Neu said on that run the train carried only eight to 10 passengers a day.

day that this would "make for a very smooth operation between Denver and Washington."

Nixon told newsmen at the White House yesterday that neither the Cabinet nor the security council is a decision-making body but advise the chief executive on matters on which he makes the decisions.

He said any policy decisions in the future will be made by Eisenhower, just as they have in the past, and added:

"At the present time the policy decisions that have been made in foreign and economic fields are sufficiently clear and well defined that no changes in those policies are needed or contemplated in the near future."

# Air Training Center in Altoona Planned

WASHINGTON (AP) — An air reserve training center, costing between \$200,000 and \$300,000, will be built near Altoona, Pa., sometime next summer, Rep. Van Zandt (R-Pa.) disclosed yesterday.

He said the Pennsylvania State University undergraduate center of Altoona is making the land available for the center, to be headquarters for Altoona, Johnstown and DuBois air reserve units.

The center will have an overall strength of 400 officers and airmen, the congressman said.

# CUSTOMERS TO GET \$500,000

SUNBURY, Pa. (AP)—The receiver for a Sunbury brokerage firm today had court approval to surrender nearly \$500,000 in securities to the company's customers.

At the same time, however, Judge William I. Troutman yesterday denied a request by James Kerwin, receiver for the J. H. Drass Co., Inc., for permission to surrender \$115,107 in cash balances.

The Northumberland County jurist said that "all claims against the company may not yet be in and we must hold this cash to assure ability to pay any later claims."

The company with 300 active accounts, was placed in receivership by the court last Sept. 15 pending an inquiry into what the Pennsylvania Securities Commission termed a \$100,000 shortage in the firm's accounts.

Kerwin said it would take several days to set up machinery for surrendering the securities and "early next week we should be able to notify the customers they can soon expect the surrender."

## FRANCE STANDS FIRM FOR NATO AND U.S. FORCES

UNITED NATIONS, N. Y. (AP)—France declared Thursday that it would firmly oppose any European security system which would mean the dissolution of the North Atlantic Treaty Organization and the withdrawal of United States forces from Europe.

In a major policy speech, French Foreign Minister Antoine Pinay also told the U.N. Assembly his government considers the re-establishment of German unity is "the essential condition for a return to a normal situation in Europe."

"The division of Germany," he said, "constitutes, in the very heart of Europe, a permanent factor of insecurity."

He also declared once more that France recognizes only one legitimate German government—the West German government at Bonn. "It does not consider it possible," he said, "to place on an equal footing a legal government and de facto authorities."

The French leader firmly ruled out the Soviet proposal for the reestablishment of German unity by stages.

"The Soviet formula cannot, for practical reasons, be put into effect," he said.

He also declared there could be no European security based simply upon an all-European defense pact without solid guarantees, such as those contained in the NATO pact and the Paris agreements which permit West German rearmament. Pinay expressed particular objections to any security arrangement which might freeze the present division of Germany into a permanent arrangement.

### Reviews Policies

The French minister was the first of the Western leaders to speak since their private strategy talks which ended Wednesday. He reviewed policy on all the four issues which will come before the Big Four foreign ministers in Geneva Oct. 27.

In addition to German reunification and European security, these problems are disarmament and the removal of barriers between East and West. He suggested that the disarmament deadlock might be broken by the simultaneous application of parts of various plans which have been submitted by the United States, Britain, France and Russia. This would include President Eisenhower's "open sky" policy for aerial inspection.

## KINDNESS PAYS \$1,000,000 TO 3 PHILLY MEN

PHILADELPHIA (AP)—A midcity policeman and two bellhops who were kind to an elderly widow will share equally in her million-dollar estate if her last will and testament proves valid.

Mrs. Anna M. Haerer, widow of Dr. F. J. Haerer, died July 29 after spending her last years at the downtown Bellevue Stratford Hotel.

A will drawn up in April, 1944, and probated last month, left the bulk of her \$1,000,278 estate to charity. Wednesday, however, an attorney for the three men filed an appeal from the probate stating that there was in her possession a will dated July 19, 1946, in which the physician's widow left the estate equally to her three friends.

One "Hitch" They are former patrolman William T. Miller; Anthony D'Elia, bell captain at the Bellevue; and William B. Dexter, veteran Bellevue bellhop now retired.

There is one possible "hitch" which threatens the bequests to the three "good samaritans."

In the fall of 1946, shortly after the second will was drawn, the executor named in the original will, Edward P. Loughlin, petitioned Orphan's Court for the appointment of a guardian, stating that the testator, then 71, was no longer competent to manage her affairs. The guardian was appointed.

Frank P. Truscott, former Pennsylvania attorney general and counsel for the trio, said, however, that the second will, witnessed by three attorneys, stated specifically

## Flat Pocket Foils Would-Be Robber

BALTIMORE (AP)—A would-be desperado's holdup attempt fell flat like his pocket yesterday.

The collapse came at a loan office here, when the intruder told Mrs. Charles McComas, 19-year-old clerk, to open the safe and forced office manager Conrad Wegnerowicz into a washroom. The holdup man held one hand in his pocket, and it looked as if he had a gun inside.

But when he reached to take bags of money Mrs. McComas had removed from the safe, he used both hands and Mrs. McComas noticed that his pocket went flat.

"You don't have a gun! You don't have a gun," shouted the young wife.

The shout brought Wegnerowicz, who wrestled the stranger to the floor while Mrs. McComas ran for help. The manager held the bandit until police arrived.

## Real Stabber Was Woman, Not Man

HOUSTON, Tex. (AP)—Asst. Dist. Atty. George Miller asked Willie Anderson if he were guilty of aggravated assault in stabbing a man Feb. 22.

Anderson said he had never seen the victim before.

The wounded man, Claude Griffin, spoke up: "That's not the Willie Anderson that stabbed me. The one that stabbed me was a woman."

The case was reset for the appearance of the right defendant.

that she was "of sound and disposing mind, memory and understanding" and that it revoked any and all wills heretofore made.

## WILSON CLAIMS HE CANNOT CUT DEFENSE BUDGET

WASHINGTON (AP)—If Secretary of the Treasury George Humphrey realizes his ambition to balance the federal budget, it looks as if he will have to do it without any more big help from the heavy-spending Pentagon.

Secretary of Defense Charles E. Wilson, who has been nudged steadily in recent weeks by Humphrey and Budget Director Rowland Hughes to come up with a billion-dollar savings in spending this fiscal year, quashed that idea yesterday in a letter to a senator and in news conference comments.

Wilson, answering some pointed questions by Sen. Lyndon Johnson (D-Tex.) about what was behind reports of administration insistence on more savings in military spending, said:

Can't Slash More 1. A new and "very complete review" now indicates that spending for the year ending next June 30 will total 34½ billion dollars. That is above the 34 billion goal originally sought, though Wilson says that goal still is kept in mind. There are no plans to go below the 34 billion level (which means that the Humphrey-Hughes hope is out, as far as Wilson's department is concerned).

2. Wilson knows of no one in the executive branch of government "who advocates cutting the bone and muscle of the nation's defenses for any purpose."

Within two hours after publication of Wilson's letter to Johnson, Humphrey hastened to issue a

## Phony Inspectors Are Raising Fuss

CAMDEN, N. J. (AP)—Fire Chief William Van Pfefferle and some Camden home owners are burning up over a new racket by phony heater inspectors.

Pfefferle said the "inspectors" give the impression they have been sent by either the Fire Department or the Bureau of Fire Prevention to check home heating equipment.

They take the heater completely apart and then if the householder doesn't agree to "needed" repairs, the "inspector" leaves—without re-assembling the scattered heater.

statement for the press. He said he was "in full accord with the program outlined" by Wilson and that "a reduction in expenditures which would require an alteration of that (basic military) program was never in contemplation."

Then Humphrey added that, as he had said before, "our hope of balancing the budget lies in the combination of two things: first, the possibility of increasing government revenue; second, the continual, day-after-day and everyday effort of everyone in the government to eliminate every expenditure which properly can be saved."

### THREE ARE DISMISSED

HARRISBURG (AP)—The Internal Affairs Department yesterday announced the dismissal of James T. Fox Jr., Phoenixville, from his job as an inspector in the Bureau of Standard Weights and Measures. His salary was \$3,744.

Also dismissed was Angelo J. Combine, Sharpsville, a copyist with an annual salary of \$3,744 and John W. Klepper, Muncy, R. 2, auditor, \$2,882.

## TROOPS LEAVE AUSTRIA; START ITALIAN DUTY

BRENNERO, Italy (AP)—U. S. combat troops leaving Austria entered Italy before dawn Thursday for NATO duty. Their mission: to help the Italian army plug a gap in Western defenses by Austrian neutrality.

The new arrivals are the first American combat troops to be stationed in Italy since October 1947 when the 88th Infantry Division was deactivated as a combat unit. American soldiers based at Leghorn and Naples are from service units.

Crossing the Austrian-Italian border through historic Brenner Pass was a convoy of 214 officers and men under Lt. Col. William W. Hawke of Perryton, Tex., commander of the 1st Battalion of the 350th Infantry Regiment.

The convoy was the vanguard of some 5,000 Americans who will form a new Southern European Task Force Command under Brig. Gen. John H. Michaelis. It will operate under Italian Lt. Gen. Clemente Primieri, NATO's commander of land forces in southern Europe.

The convoy headed for Vincenza, 150 miles southwest of here, to set up headquarters in concrete Italian army barracks.

The Americans are pulling out of Austria under the independence treaty signed by the Big Four with that country last May. Some engineering and other units left ahead of the combat troops.

## LEADER CALLS LACK OF PROFS AN EMERGENCY

HARRISBURG (AP) — The state's failure to produce the number of teachers it needs threatens to dictate failure for Pennsylvania's youth in the opinion of Gov. Leader.

Speaking to a group of educators yesterday the governor called the teacher shortage "a critical problem."

"To keep its public school system functioning Pennsylvania is required to attract more than 6,000 new teachers a year," Leader said.

"This is becoming more and more difficult to accomplish."

Singling out the shortage of science teachers then Governor told the 35th annual State Education Congress that the number of college graduates prepared to teach this subject in high schools dropped 56 per cent between 1950 and 1955.

"This is literally a nonsensical situation. It makes no sense at all," he continued. "Not only are we losing our lead in the training of scientific men but at the same time and by the same process we are not graduating enough teachers to meet the needs of our children."

## "Community College"

The governor's appearance ended the two-day conference attended by more than 600 educators from throughout the state.

He said it is evident that a society that fails to provide the necessary teachers to educate and motivate its youth will be a failure in the future world.

"Education is a field no government can afford to stint. Its students, teachers and classrooms are the true wealth and basis of any society."

Leader disclosed plans to organize a state commission on higher education. One of its chief problems will be to look over a plan calling for the state establishment of "considerable numbers" of junior colleges, or "community colleges," as the governor called them.

Their object would be to provide two years advanced education for "the many talented young men and women who simply can't afford four years of higher education" at college.

## Federal Aid

"I am optimistic over this plan for two year community colleges," he added. He made clear, however, that a decision on their establishment "must rest with educators."

Leader also called for more federal aid for education. He suggested expansion of the education program of the GI bill of rights for civilians.

"A nation such as ours pays the bill for training of over 500,000 war veterans a year in colleges and universities certainly can afford to train 200,000 talented but needy high school graduates each year," he said.

"It is no longer simply desirable to have adequate training and education for our young people. We must have it to survive."

## YORK TEL &amp; TEL DEMANDS STAY

PHILADELPHIA (AP) — The York Telephone and Telegraph Co. has asked the state Superior Court to stay an order by the state Public Utility Commission ordering the company to catch up on its back orders by April 1, 1956.

The company's attorney, John C. Kelley, told the appellate court yesterday York Telephone couldn't meet a PUC schedule for filing the back orders.

"We must make a survey of engineering changes needed and other factors before we can move ahead at the rate suggested," he said.

PUC Atty. John Fullerton said the company "is unprecedented in its dereliction."

"Some companies in the state are having financial troubles," he said, "but the York company is not one of them."

The court took the company's request under advisement.

FRANCE STANDS FIRM FOR NATO AND U.S. FORCES

UNITED NATIONS, N. Y. (AP) — France declared Thursday that it would firmly oppose any European security system which would mean the dissolution of the North Atlantic Treaty Organization and the withdrawal of United States forces from Europe.

In a major policy speech, French Foreign Minister Antoine Pinay also told the U.N. Assembly his government considers the re-establishment of German unity is "the essential condition for a return to a normal situation in Europe."

"The division of Germany," he said, "constitutes, in the very heart of Europe, a permanent factor of insecurity."

He also declared once more that France recognizes only one legitimate German government — the West German government at Bonn.

"It does not consider it possible," he said, "to place on an equal footing a legal government and a de facto authorities."

The French leader firmly ruled out the Soviet proposal for the reestablishment of German unity by stages.

"The Soviet formula cannot, for practical reasons be put into effect," he said.

He also declared there could be no European security based simply upon an all-European defense pact without solid guarantees, such as those contained in the NATO pact and the Paris agreements which permit West German rearmament.

Pinay expressed particular objections to any security arrangement which might freeze the present division of Germany into a permanent arrangement.

**Reviews Policies**

The French minister was the first of the Western leaders to speak since their private strategy talks which ended Wednesday. He reviewed policy on all the four issues which will come before the Big Four foreign ministers in Geneva Oct. 27.

In addition to German reunification and European security, these problems are disarmament and the removal of barriers between East and West. He suggested that the disarmament deadlock might be broken by the simultaneous application of parts of various plans which have been submitted by the United States, Britain, France and Russia. This would include President Eisenhower's "open sky" policy for aerial inspection.

**Orrtanna**

ORRTANNA — Mr. and Mrs. Harry Patterson returned to their home in Franklin Grove, Ill., after a visit with Mr. and Mrs. Mark Saum, Howard Saum and Mr. and Mrs. L. W. Shulley. The Pattersons also visited the Shulleys' son-in-law and daughter, Mr. and Mrs. Willard Weaver, Gardners R. D.

Robert Deardorff spent the weekend in Geneva, New York, with his parents-in-law, Mr. and Mrs. Joseph Pluma. Mr. Deardorff was accompanied home by his wife and daughter Shirley Ann, who spent the past week with her parents.

Mr. and Mrs. Brady Hill, Chambersburg, spent Sunday as guests of Mr. and Mrs. Raymond Pepple.

Mr. and Mrs. Luther Wetzel entertained Sunday Mrs. Wetzel's sister-in-law, Mrs. Odessa Baltzley, and son and daughter-in-law, Mr. and Mrs. Eldon Baltzley and daughter, Joan, Stewartstown and Mrs. Wetzel's brother, C. S. Baltzley, York. The group also visited with Mr. and Mrs. Luther Baltzley, Elm St., Gettysburg.

KINDNESS PAYS \$1,000,000 TO 3 PHILLY MEN

PHILADELPHIA (AP)—A midcity policeman and two bellhops who were kind to an elderly widow will share equally in her million-dollar estate if her last will and testament proves valid.

Mrs. Anna M. Haerer, widow of Dr. F. J. Haerer, died July 29 after spending her last years at the downtown Bellevue Stratford Hotel.

A will drawn up in April, 1944 and probated last month, left the bulk of her \$1,000,278 estate to charity. Wednesday, however, an attorney for the three men filed an appeal from the probate stating that there was in her possession a will dated July 19, 1946, in which the physician's widow left the estate equally to her three friends.

One "Hitch"

They are former patrolman William T. Miller, Anthony D'Elia, bell captain at the Bellevue, and William B. Dexter, veteran Bellevue bellhop now retired.

There is one possible "hitch" which threatens the bequests to the three "good Samaritans."

In the fall of 1946, shortly after the second will was drawn, the executor named in the original will, Edward P. Loughlin, petitioned Orphan's Court for the appointment of a guardian, stating that the testator, then 71, was no longer competent to manage her affairs. The guardian was appointed.

Frank P. Truscov, former Pennsylvania attorney general and counsel for the trio, said, however, that the second will, witnessed by three attorneys, stated specifically

Flat Pocket Foils Would-Be Robber

BALTIMORE (AP)—A would-be desperado's holdup attempt fell flat like his pocket yesterday.

The collapse came at a loan office here, when the intruder told Mrs. Charles McComas, 19-year-old clerk to open the safe and forced office manager Conrad Wegnerowicz into a washroom.

The holdup man held one hand in his pocket, and it looked as if he had a gun inside.

But when he reached to take bags of money Mrs. McComas had removed from the safe, he used both hands and Mrs. McComas noticed that his pocket went flat.

"You don't have a gun," You don't have a gun," shouted the young wife.

The shout brought Wegnerowicz, who wrestled the stranger to the floor while Mrs. McComas ran for help. The manager held the bandit until police arrived.

Real Stabber Was Woman, Not Man

HOUSTON, Tex. (AP)—Asst. Dist. Atty. George Miller asked Willie Anderson if he were guilty of aggravated assault in stabbing a man Feb. 22.

Anderson said he had never seen the victim before.

The wounded man, Claude Griffin, spoke up: "That's not the Willie Anderson that stabbed me. The one that stabbed me was a woman."

The case was reset for the appearance of the right defendant.

WILSON CLAIMS HE CANNOT CUT DEFENSE BUDGET

By ELTON C. FAY

WASHINGTON (AP)—The Secretary of the Treasury George Humphrey realizes his ambition to balance the federal budget, it looks as if he will have to do it without any more big help from the heavy-spending Pentagon.

Secretary of Defense Charles E. Wilson, who has been nudged steadily in recent weeks by Humphrey and Budget Director Rowland Hughes to come up with a billion-dollar savings in spending this fiscal year, quashed that idea yesterday in a letter to a senator and in news conference comments.

Wilson, answering some pointed questions by Sen. Lyndon Johnson (D-Tex.) about what was behind reports of administration insistence on more savings in military spending, said:

**Can't Slash More**

1. A new and "very complete review" now indicates that spending for the year ending next June 30 will total 34½ billion dollars. That is above the 34 billion goal originally sought, though Wilson says that goal still is kept in mind. There are no plans to go below the 34 billion level (which means that the Humphrey-Hughes hope is out, as far as Wilson's department is concerned).

2. Wilson knows of no one in the executive branch of government "who advocates cutting the bone and muscle of the nation's defenses for any purpose."

Within two hours after publication of Wilson's letter to Johnson, Humphrey hastened to issue a

Phony Inspectors Are Raising Fuss

CAMDEN, N. J. (AP)—Fire Chief William Van Pfefferle and some Camden home owners are buning up over a new racket by phony heater inspectors.

Pfefferle said the "inspectors" give the impression they have been sent by either the Fire Department or the Bureau of Fire Prevention to check home heating equipment.

They take the heater completely apart and then if the householder doesn't agree to "needed" repairs, the "inspector" leaves—without re-assembling the scattered heater.

statement for the press. He said he was "in full accord with the program outlined" by Wilson and that "a reduction in expenditures which would require an alteration of that (basic military) program was never in contemplation."

Then Humphrey added that, as he had said before, "our hope of balancing the budget lies in the combination of two things: first, the possibility of increasing government revenue second, the continual, day-after-day and everyday effort of everyone in the government to eliminate every expenditure which properly can be saved."

**THREE ARE DISMISSED**

HARRISBURG (AP)—The Internal Affairs Department yesterday announced the dismissal of James T. Fox Jr., Phoenixville, from his job as an inspector in the Bureau of Standard Weights and Measures. His salary was \$3,744.

Also dismissed was Angelo J. Comino, Sharpville, a copyist with an annual salary of \$3,744 and John W. Klepper, Muncy, R. D., auditor, \$2,382.

TROOPS LEAVE AUSTRIA; START ITALIAN DUTY

BRENNERO Italy (AP)—U. S. combat troops leaving Austria entered Italy before dawn Thursday for NATO duty. The mission: to help the Italian army plug a gap in Western defenses by Austrian neutrality.

The new arrivals are the first Americans combat troops to be stationed in Italy since October 1947 when the 88th Infantry Division was deactivated as a combat unit. American soldiers based at Leghorn and Naples are from service units.

Crossing the Austrian-Italian border through historic Brenner Pass was a convoy of 214 officers and men under Lt. Col. William W. Hawke of Terrell, Tex., commander of the 1st Battalion of the 350th Infantry Regiment.

The convoy was the vanguard of some 5,000 Americans who will form a new Southern European Task Force Command under Brig. Gen. John H. McMichael. It will operate under Italian Lt. Gen. Clemente Pramer. NATO's commander of land forces in southern Europe.

The convoy headed for Vicenza, 150 miles southwest of here, to set up headquarters in concrete Italian army barracks.

The Americans are pulling out of Austria under the independence treaty signed by the Big Four with that country last May. Some engineering and other units left ahead of the combat troops.
